MUNICIPAL GAS LINE EASEMENT

Claude P. Marshall and Carla J. Marshall, Husband and Wife, of Fairfield County, Ohio, hereinafter called the "Grantors," for good and valuable consideration, do hereby GRANT with general warranty covenants to the City of Lancaster, Ohio, "Grantee," whose tax mailing address is 104 E. Main Street, Lancaster, Ohio, a perpetual easement to construct, maintain, operate, tap into, repair or replace one or more municipal gas lines through the following described real property, as recorded in OR 1732, Page 2024, Fairfield County Recorder's Office; upon the real estate described as follows: (the "Easement Area")

See "Exhibit A" attached hereto.

This Easement is granted subject to the following terms and conditions:

1. Grantee shall be responsible for the entire cost of the installation of said gas lines and said gas lines shall be repaired and maintained by Grantee.
2. **Additional Use:** No other pipes, lines or cables of any nature may be buried or placed on or above said easement area "without Grantors' specific written authority regardless of whether such additional use of the easement is deemed to result in any additional burden or damage to Grantors' property."

3. **Other Consistent Uses**: Grantors reserve the right to use the Easement Area for any purposes not inconsistent with rights granted by this Easement.

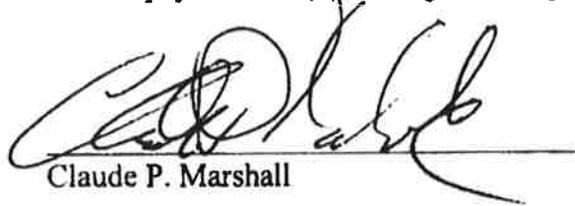

4. **Indemnification, Restoration or Property**: Grantee by its acceptance of this Easement shall indemnify, defend and hold Grantors harmless against any claims, damages, losses or expenses, arising as a result of Grantee's exercise of the rights granted by this Easement, but excepting any claims, damages, losses or expenses caused by the negligence or wrongful actions of Grantors or Grantors' agents, employees or contractors, or others for whom Grantors are responsible.

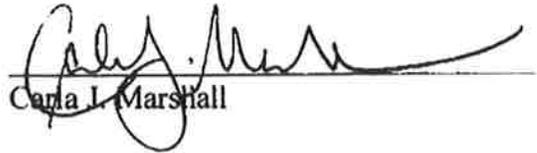

If any damage to Grantors' property is caused by Grantee's exercise of its rights under this Easement, Grantee at its expense, shall promptly restore any disturbed areas, including fences and field tiles, as nearly as possible to the condition existing prior to the occurrence of the damage.

5. **Building Restriction**: No buildings or other structures shall be constructed in the Easement Area by Grantors, nor shall Grantors cause any excavating or filling to be done which, in the reasonable judgment of Grantee, would impair Grantee's exercise of the rights granted by this Easement or its ability to maintain its utility facilities. Grantors reserve the right, however, to construct driveways, sidewalks, surface roads and similar improvements across the Easement Area.

6. **Title**. Grantors covenant with Grantee that Grantors are the owners of the Easement Area described above and have full power to convey the rights conveyed by this Easement. Grantors warrant and will defend the same against the claims of all persons,

subject, however, to (a) all legal highways, (b) easements, covenants and restrictions of record, (c) real estate taxes and assessments not yet due and payable and (d) zoning, building and other applicable laws, codes and regulations.
