the time spent or sales made by the employee in each such municipal corporation. A municipal corporation to which qualifying wages are allocated under this division shall be the employee's "principal place of work" with respect to those qualifying wages for the purposes of this section.

For the purposes of this division, the location at which an employee spends a particular day shall be deemed in accordance with division (B)(2) of this section, except that "location" shall be substituted for "municipal corporation" wherever "municipal corporation" appears in that division.

(B) (1) Subject to divisions (C), (E), (F), and (G) of this section, an employer is not required to withhold municipal income tax on qualifying wages paid to an employee for the performance of personal services in a municipal corporation that imposes such a tax if the employee performed such services in the municipal corporation on twenty or fewer days in a calendar year, unless one of the following conditions applies:

(a) The employee's principal place of work is located in the Municipality.

(b) The employee performed services at one or more presumed worksite locations in the Municipality. For the purposes of this division, "presumed worksite location" means a construction site or other temporary worksite in this state at which the employer provides services that can reasonably be expected by the employer to last more than twenty days in a calendar year. Services can "reasonably be expected by the employer to last more than twenty days" if either of the following applies at the time the services commence:

(i) The nature of the services are such that it will require more than twenty days of actual services to complete the services;

(ii) The agreement between the employer and its customer to perform services at a location requires the employer to perform actual services at the location for more than twenty days.

(c) The employee is a resident of the Municipality and has requested that the employer withhold tax from the employee's qualifying wages as provided in Section 183.051 of this Chapter.

(d) The employee is a professional athlete, professional entertainer, or public figure, and the qualifying wages are paid for the performance of services in the employee's capacity as a professional athlete, professional entertainer, or public figure within the Municipality.

(2) For the purposes of division (B)(1) of this section, an employee shall be considered to have spent a day performing services in a municipal corporation only if the employee spent more time performing services for or on behalf of the employer in that municipal corporation than in any other municipal corporation on that day. For the purposes of determining the amount of time an employee spent in a particular location, the time spent performing one or more of the following activities shall be considered to have been spent at the employee's principal place of work:

(a) Traveling to the location at which the employee will first perform services for the employer for the day;

(b) Traveling from a location at which the employee was performing services for the employer to any other location;

(c) Traveling from any location to another location in order to pick up or load, for the purpose of transportation or delivery, property that has been purchased, sold, assembled, fabricated, repaired, refurbished, processed, remanufactured, or improved by the employee's employer;

(d) Transporting or delivering property described in division (B)(2)(c) of this section, provided that, upon delivery of the property, the employee does not temporarily or permanently affix the property to real estate owned, used, or controlled by a person other than the employee's employer;

(e) Traveling from the location at which the employee makes the employee's final delivery or pick-up for the day to either the employee's principal place of work or a location at which the employee will not perform services for the employer.

(C) If the principal place of work of an employee is located in a municipal corporation that imposes an income tax in accordance with this chapter, the exception from withholding requirements described in division (B)(1) of this section shall apply only if, with respect to the employee's qualifying wages described in that division, the employer withholds and remits tax on such qualifying wages to the municipal corporation in which the employee's principal place of work is located.

(D) (1) Except as provided in division (D)(2) of this section, if, during a calendar year, the number of days an employee spends performing personal services in a municipal corporation exceeds the twenty-day threshold described in division (B)(1) of this section, the employer shall withhold and remit tax to that municipal corporation for any subsequent days in that calendar year on which the employer pays qualifying wages to the employee for personal services performed in that municipal corporation.

(2) An employer required to begin withholding tax for a municipal corporation under division (D)(1) of this section may elect to withhold tax for that municipal corporation for the first twenty days on which the employer paid qualifying wages to the employee for personal services performed in that municipal corporation.

(3) If an employer makes the election described in division (D)(2) of this section, the taxes withheld and paid by such an employer during those first twenty days to the municipal corporation in which the employee's principal place of work is located are refundable to the employee.

(E) Without regard to the number of days in a calendar year on which an employee performs personal services in any municipal corporation, an employer shall withhold municipal income tax on all of the employee's qualifying wages for a taxable year and remit that tax only to the municipal corporation in which the employer's fixed location is located if the employer qualifies as a small employer as defined in Section 183.03 of this Chapter. To determine whether an employer qualifies as a small employer for a taxable year, a Tax Administrator may require the employer to provide the Tax Administrator with the employer's federal income tax return for the preceding taxable year.

(F) Divisions (B)(1) and (D) of this section shall not apply to the extent that a Tax Administrator and an employer enter into an agreement regarding the manner in which the employer shall comply with the requirements of Section 183.051 of this Chapter.

(B) If a person's winnings at a casino facility are an amount for which reporting to the internal revenue service of the amount is required by section 6041 of the Internal Revenue Code, as amended, the casino operator shall deduct and withhold municipal income tax from the person's winnings at the rate of the tax imposed by the municipal corporation in which the casino facility is located.

(C) Amounts deducted and withheld by a casino operator are held in trust for the benefit of the municipal corporation to which the tax is owed.

(1) On or before the tenth day of each month, the casino operator shall file a return electronically with the Tax Administrator of the Municipality, providing the name, address, and social security number of the person from whose winnings amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the winnings from which each such amount was withheld, the type of casino gaming that resulted in such winnings, and any other information required by the Tax Administrator. With this return, the casino operator shall remit electronically to the Municipality all amounts deducted and withheld during the preceding month.

(2) Annually, on or before the thirty-first day of January, a casino operator shall file an annual return electronically with the Tax Administrator of the municipal corporation in which the casino facility is located, indicating the total amount deducted and withheld during the preceding calendar year. The casino operator shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

(3) Annually, on or before the thirty-first day of January, a casino operator shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted from the person's winnings during the preceding year. The casino operator shall provide to the Tax Administrator a copy of each information return issued under this division. The administrator may require that such copies be transmitted electronically.

(4) A casino operator that fails to file a return and remit the amounts deducted and withheld shall be personally liable for the amount withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(5) If a casino operator sells the casino facility or otherwise quits the casino business, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor shall withhold an amount of the purchase money that is sufficient to cover the amounts deducted and withheld along with any penalties and interest thereon until the predecessor casino operator produces either of the following:

(a) A receipt from the Tax Administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(b) A certificate from the Tax Administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(6) The failure of a casino operator to deduct and withhold the required amount from a person's winnings does not relieve that person from liability for the municipal income tax with respect to those winnings.

(D) If a person's prize award from a video lottery terminal is an amount for which reporting to the internal revenue service is required by section 6041 of the Internal Revenue Code, as amended, the video lottery sales agent shall deduct and withhold municipal income tax from the person's prize award at the rate of the tax imposed by the municipal corporation in which the video lottery terminal facility is located.

(E) Amounts deducted and withheld by a video lottery sales agent are held in trust for the benefit of the municipal corporation to which the tax is owed.

(1) The video lottery sales agent shall issue to a person from whose prize award an amount has been deducted and withheld a receipt for the amount deducted and withheld, and shall obtain from the person receiving a prize award the person's name, address, and social security number in order to facilitate the preparation of returns required by this section.

(2) On or before the tenth day of each month, the video lottery sales agent shall file a return electronically with the Tax Administrator of the Municipality providing the names, addresses, and social security numbers of the persons from whose prize awards amounts were deducted and withheld, the amount of each such deduction and withholding during the preceding calendar month, the amount of the prize award from which each such amount was withheld, and any other information required by the Tax Administrator. With the return, the video lottery sales agent shall remit electronically to the Tax Administrator all amounts deducted and withheld during the preceding month.

(3) A video lottery sales agent shall maintain a record of all receipts issued under division (E) of this section and shall make those records available to the Tax Administrator upon request. Such records shall be maintained in accordance with section 5747.17 of the Ohio Revised Code and any rules adopted pursuant thereto.

(4) Annually, on or before the thirty-first day of January, each video lottery terminal sales agent shall file an annual return electronically with the Tax Administrator of the municipal corporation in which the facility is located indicating the total amount deducted and withheld during the preceding calendar year. The video lottery sales agent shall remit electronically with the annual return any amount that was deducted and withheld and that was not previously remitted. If the name, address, or social security number of a person or the amount deducted and withheld with respect to that person was omitted on a monthly return for that reporting period, that information shall be indicated on the annual return.

(5) Annually, on or before the thirty-first day of January, a video lottery sales agent shall issue an information return to each person with respect to whom an amount has been deducted and withheld during the preceding calendar year. The information return shall show the total amount of municipal income tax deducted and withheld from the person's prize award by the video lottery sales agent during the preceding year. A video lottery sales agent shall provide to the Tax Administrator of the municipal corporation a copy of each information return issued under this division. The Tax Administrator may require that such copies be transmitted electronically.

(6) A video lottery sales agent who fails to file a return and remit the amounts deducted and withheld is personally liable for the amount deducted and withheld and not remitted. Such personal liability extends to any penalty and interest imposed for the late filing of a return or the late payment of tax deducted and withheld.

(F) If a video lottery sales agent ceases to operate video lottery terminals, the amounts deducted and withheld along with any penalties and interest thereon are immediately due and payable. The successor of the video lottery sales agent that purchases the video lottery terminals from the agent shall withhold an amount from the purchase money that is sufficient to cover the amounts deducted and withheld and any penalties and interest thereon until the predecessor video lottery sales agent operator produces either of the following:

(1) A receipt from the Tax Administrator showing that the amounts deducted and withheld and penalties and interest thereon have been paid;

(2) A certificate from the Tax Administrator indicating that no amounts are due.

If the successor fails to withhold purchase money, the successor is personally liable for the payment of the amounts deducted and withheld and penalties and interest thereon.

(G) The failure of a video lottery sales agent to deduct and withhold the required amount from a person's prize award does not relieve that person from liability for the municipal income tax with respect to that prize award.

(H) If a casino operator or lottery sales agent files a return late, fails to file a return, remits amounts deducted and withheld late, or fails to remit amounts deducted and withheld as required under this section, the Tax Administrator of a municipal corporation may impose the following applicable penalty:

(1) For the late remittance of, or failure to remit, tax deducted and withheld under this section, a penalty equal to fifty per cent of the tax deducted and withheld;

(2) For the failure to file, or the late filing of, a monthly or annual return, a penalty of five hundred dollars for each return not filed or filed late. Interest shall accrue on past due amounts deducted and withheld at the rate prescribed in section 5703.47 of the Ohio Revised Code.

(I) Amounts deducted and withheld on behalf of a municipal corporation shall be allowed as a credit against payment of the tax imposed by the municipal corporation and shall be treated as taxes paid for purposes of Section 183.07 of this Chapter. This division applies only to the person for whom the amount is deducted and withheld.

(J) The Tax Administrator shall prescribe the forms of the receipts and returns required under this section. (Ord. 32-23. Passed 11-27-23.)

183.054 COLLECTION OF UNPAID TAXES AND REFUNDS OF OVERPAYMENTS.

(A) All taxes imposed by this ordinance shall be collectible, together with any interest, penalties and late fees thereon, by suit, as other debts of like amount are recoverable. Except in the case of fraud, omission of 25% or more of income subject to this tax, or failure to file a return, an additional assessment shall not be made after three (3) years from the time the return was due or filed whichever is later, provided, however, in those cases in which a Commissioner of Internal Revenue and the taxpayer have executed a waiver of the federal statute of limitation, the period within which an additional assessment may be made by the Administrator shall be one (1) year from the time of the final determination of the federal tax liability.

183.062 NET PROFIT; INCOME SUBJECT TO NET PROFIT TAX; ALTERNATIVE APPORTIONMENT.

This section applies to any taxpayer engaged in a business or profession in the Municipality unless the taxpayer is an individual who resides in the Municipality or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under Chapter 5745 of the Ohio Revised Code.

(A) Net profit from a business or profession conducted both within and without the boundaries of the Municipality shall be considered as having a taxable situs in the Municipality for purposes of municipal income taxation in the same proportion as the average ratio of the following:

(1) The average original cost of the real property and tangible personal property owned or used by the taxpayer in the business or profession in the Municipality during the taxable period to the average original cost of all of the real and tangible personal property owned or used by the taxpayer in the business or profession during the same period, wherever situated.
As used in the preceding paragraph, tangible personal or real property shall include property rented or leased by the taxpayer and the value of such property shall be determined by multiplying the annual rental thereon by eight;

(2) Wages, salaries, and other compensation paid during the taxable period to individuals employed in the business or profession for services performed in the Municipality to wages, salaries, and other compensation paid during the same period to individuals employed in the business or profession, wherever the individual's services are performed, excluding compensation from which taxes are not required to be withheld under Section 183.052 of this Chapter;

(3) Total gross receipts of the business or profession from sales and rentals made and services performed during the taxable period in the Municipality to total gross receipts of the business or profession during the same period from sales, rentals, and services, wherever made or performed.

(B) (1) If the apportionment factors described in division (A) of this section do not fairly represent the extent of a taxpayer's business activity in the Municipality, the taxpayer may request, or the Tax Administrator of the Municipality may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

(a) Separate accounting;

(b) The exclusion of one or more of the factors;

(c) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the Municipality;

(d) A modification of one or more of the factors.

(2) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. The taxpayer may use the requested alternative method unless the Tax Administrator denies the request in an assessment issued within the period prescribed by division (A) of Section 183.19 of this Chapter.

(3) A Tax Administrator may require a taxpayer to use an alternative apportionment method as described in division (B)(1) of this section only by issuing an assessment to the taxpayer within the period prescribed by division (A) of Section 183.19 of this Chapter.

(4) Nothing in division (B) of this section nullifies or otherwise affects any alternative apportionment arrangement approved by a Tax Administrator or otherwise agreed upon by both the Tax Administrator and taxpayer before January 1, 2016.

(3) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (C)(1) or (2) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If a Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.

(D) For the purposes of division (A)(3) of this section, receipts from sales and rentals made and services performed shall be sitused to a municipal corporation as follows:

(1) Gross receipts from the sale of tangible personal property shall be sitused to the municipal corporation only if, regardless of where title passes, the property meets any of the following criteria:

A municipal corporation shall allow such taxpayers to elect to use separate accounting for the purpose of calculating net profit sitused under this division to the municipal corporation in which the property is located.

(F) This division applies to any taxpayer engaged in a business or profession in City of Lancaster, unless the taxpayer is an individual who resides in City of Lancaster or the taxpayer is an electric company, combined company, or telephone company that is subject to and required to file reports under Chapter 5745 of the ORC.

(2) (a) If the apportionment factors described in division (F)(1) of this section do not fairly represent the extent of a taxpayer's business activity in City of Lancaster, the taxpayer may request, or the Tax Administrator of City of Lancaster may require, that the taxpayer use, with respect to all or any portion of the income of the taxpayer, an alternative apportionment method involving one or more of the following:

(i) Separate accounting;

(ii) The exclusion of one or more of the factors;

(iii) The inclusion of one or more additional factors that would provide for a more fair apportionment of the income of the taxpayer to the municipal corporation;

(iv) A modification of one or more of the factors.

(b) A taxpayer request to use an alternative apportionment method shall be in writing and shall accompany a tax return, timely filed appeal of an assessment, or timely filed amended tax return. (c) Any other location, if the Tax Administrator determines that the employer directed the employee to perform the services at the other location in lieu of a location described in division (F)(3)(a) or (b) of this section solely in order to avoid or reduce the employer's municipal income tax liability. If the Tax Administrator makes such a determination, the employer may dispute the determination by establishing, by a preponderance of the evidence, that the Tax Administrator's determination was unreasonable.

(4) For the purposes of division (F)(l)(c) of this section, and except as provided in division (G) of this section, receipts from sales and rentals made and services performed shall be sitused to a municipal corporation as follows:

The election applies to the taxable year for which that return, or appeal is filed and for all subsequent taxable years, until the taxpayer revokes the election.

The taxpayer shall make the initial election with the tax administrator of each municipal corporation with which, after applying the apportionment provisions authorized in this division, the taxpayer is required to file a net profit tax return for that taxable year. A taxpayer shall not be required to notify the tax administrator of a municipal corporation in which a qualifying remote employee's or owner's qualifying remote work location is located, unless the taxpayer is otherwise required to file a net profit return with that municipal corporation due to business operations that are unrelated to the employee's or owner's activity at the qualifying remote work location.

After the taxpayer makes the initial election, the election applies to every municipal corporation in which the taxpayer conducts business. The taxpayer shall not be required to file a net profit return with a municipal corporation solely because a qualifying remote employee's or owner's qualifying remote work location is located in such municipal corporation. Nothing in this division prohibits a taxpayer from making a new election under this division after properly revoking a prior election.

(3) For the purpose of calculating the ratios described in division (F)(1) of this section, all of the following apply to a taxpayer that has made the election described in division (G)(2):

(a) For the purpose of division (F)(1)(a) of this section, the average original cost of any tangible personal property used by a qualifying remote employee or owner at that individual's qualifying remote work location shall be situsedto that individual's qualifying reporting location.

(b) For the purpose of division (F)(1)(b) of this section, any wages, salaries, and other compensation paid during the taxable period to a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situsedto that individual's qualifying reporting location.

(c) For the purpose of division (F)(1)(c) of this section, and notwithstanding division (F)(4) of this section, any gross receipts of the business or profession from services performed during the taxable period by a qualifying remote employee or owner for services performed at that individual's qualifying remote work location shall be situsted to that individual's qualifying reporting location.

(4) Nothing in this division prevents a taxpayer from requesting, or a tax administrator from requiring, that the taxpayer use, with respect to all or a portion of the income of the taxpayer, an alternative apportionment method as described in division (F)(2) of this section. However, a tax administrator shall not require an alternative apportionment method in such a manner that it would require a taxpayer to file a net profit return with a municipal corporation solely because a qualifying remote employee's or owner's qualifying remote work location is located in that municipal corporation.

(5) Except as otherwise provided in this division, nothing in this division is intended to affect the withholding of taxes on qualifying wages pursuant to Section 183.951 of this Ordinance.

(H) When calculating the ratios described in division (A) of this section for the purposes of that division or division (B) of this section, the owner of a disregarded entity shall include in the owner's ratios the property, payroll, and gross receipts of such disregarded entity. (Ord. 32-23. Passed 11-27-23.)

183.063 CONSOLIDATED FEDERAL INCOME TAX RETURN.

(A) As used in this section:

(1) "Affiliated group of corporations" means an affiliated group as defined in section 1504 of the Internal Revenue Code, except that, if such a group includes at least one incumbent local exchange carrier that is primarily engaged in the business of providing local exchange telephone service in this state, the affiliated group shall not include any incumbent local exchange carrier that would otherwise be included in the group.

(2) "Consolidated federal income tax return" means a consolidated return filed for federal income tax purposes pursuant to section 1501 of the Internal Revenue Code.

(3) "Consolidated federal taxable income" means the consolidated taxable income of an affiliated group of corporations, as computed for the purposes of filing a consolidated federal income tax return, before consideration of net operating losses or special deductions. "Consolidated federal taxable income" does not include income or loss of an incumbent local exchange carrier that is excluded from the affiliated group under division (A)(1) of this section.

(4) "Incumbent local exchange carrier" has the same meaning as in section 4927.01 of the Revised Code.

(5) "Local exchange telephone service" has the same meaning as in section 5727.01 of the Revised Code.

(B) (1) For taxable years beginning on or after January 1, 2016, a taxpayer that is a member of an affiliated group of corporations may elect to file a consolidated municipal income tax return for a taxable year if at least one member of the affiliated group of corporations is subject to the municipal income tax in that taxable year and if the affiliated group of corporations filed a consolidated federal income tax return with respect to that taxable year.

(a) The election is binding for a five-year period beginning with the first taxable year of the initial election unless a change in the reporting method is required under federal law.

(b) The election continues to be binding for each subsequent five-year period unless the taxpayer elects to discontinue filing consolidated municipal income tax returns under division (B)(2) of this section; or

(c) A taxpayer receives permission from the Tax Administrator. The Tax Administrator shall approve such a request for good cause shown.

(2) An election to discontinue filing consolidated municipal income tax returns under this section must be made in the first year following the last year of a five-year consolidated municipal income tax return election period in effect under division (B)(1) of this section. The election to discontinue filing a consolidated municipal income tax return is binding for a five-year period beginning with the first taxable year of the election.

(3) An election made under division (B)(1) or (2) of this section is binding on all members of the affiliated group of corporations subject to a municipal income tax.

(4) When a taxpayer makes the election allowed under Section 183.24 of the Codified Ordinances, a valid election made by the taxpayer under division (B)(1) or (2) of this section is binding upon the tax commissioner for the remainder of the five-year period.

(5) When an election made under Section 183.24 of the Codified Ordinances is terminated, a valid election made under Section 183.30 of the Codified Ordinances is binding upon the tax administrator for the remainder of the five-year period.

(C) A taxpayer that is a member of an affiliated group of corporations that filed a consolidated federal income tax return for a taxable year shall file a consolidated municipal income tax return for that taxable year if the Tax Administrator determines, by a preponderance of the evidence, that intercompany transactions have not been conducted at arm's length and that there has been a distortive shifting of income or expenses with regard to allocation of net profits to the municipal corporation. A taxpayer that is required to file a consolidated municipal income tax return for a taxable year shall file a consolidated municipal income tax return for all subsequent taxable years unless the taxpayer requests and receives written permission from the Tax Administrator to file a separate return or a taxpayer has experienced a change in circumstances.

(D) A taxpayer shall prepare a consolidated municipal income tax return in the same manner as is required under the United States Department of Treasury regulations that prescribe procedures for the preparation of the consolidated federal income tax return required to be filed by the common parent of the affiliated group of which the taxpayer is a member.

(E) (1) Except as otherwise provided in divisions (E)(2), (3), and (4) of this section, corporations that file a consolidated municipal income tax return shall compute adjusted federal taxable income, as defined in Section 183.03(1) of this Chapter, by substituting "consolidated federal taxable income" for "federal taxable income" wherever "federal taxable income" appears in that division and by substituting "an affiliated group of corporation's" for "a C corporation's" wherever "a C corporation's" appears in that division.

(2) No corporation filing a consolidated municipal income tax return shall make any adjustment otherwise required under division (1) of 183.03 of this Chapter to the extent that the item of income or deduction otherwise subject to the adjustment has been eliminated or consolidated in the computation of consolidated federal taxable income.

(3) If the net profit or loss of a pass-through entity having at least eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, the corporation filing a consolidated municipal income tax return shall do one of the following with respect to that pass-through entity's net profit or loss for that taxable year:

(a) Exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 183.062 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to a municipal corporation. If the entity's net profit or loss is so excluded, the entity shall be subject to taxation as a separate taxpayer on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(b) Include the pass-through entity's net profit or loss in the consolidated federal taxable income of the affiliated group and, for the purpose of making the computations required in Section 183.062 of this Chapter, include the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to a municipal corporation. If the entity's net profit or loss is so included, the entity shall not be subject to taxation as a separate taxpayer on the basis of the entity's net profits that are included in the consolidated federal taxable income of the affiliated group.

(4) If the net profit or loss of a pass-through entity having less than eighty per cent of the value of its ownership interest owned or controlled, directly or indirectly, by an affiliated group of corporations is included in that affiliated group's consolidated federal taxable income for a taxable year, all of the following shall apply:

(a) The corporation filing the consolidated municipal income tax return shall exclude the pass-through entity's net profit or loss from the consolidated federal taxable income of the affiliated group and, for the purposes of making the computations required in Section 183.062 of this Chapter, exclude the property, payroll, and gross receipts of the pass-through entity in the computation of the affiliated group's net profit sitused to a municipal corporation;

(b) The pass-through entity shall be subject to municipal income taxation as a separate taxpayer in accordance with this chapter on the basis of the entity's net profits that would otherwise be included in the consolidated federal taxable income of the affiliated group.

(F) Corporations filing a consolidated municipal income tax return shall make the computations required under Section 183.062 of this Chapter by substituting "consolidated federal taxable income attributable to" for "net profit from" wherever "net profit from" appears in that section and by substituting "affiliated group of corporations" for "taxpayer" wherever "taxpayer" appears in that section.

(G) Each corporation filing a consolidated municipal income tax return is jointly and severally liable for any tax, interest, penalties, fines, charges, or other amounts imposed by a municipal corporation in accordance with this chapter on the corporation, an affiliated group of which the corporation is a member for any portion of the taxable year, or any one or more members of such an affiliated group.

(H) Corporations and their affiliates that made an election or entered into an agreement with a municipal corporation before January 1, 2016, to file a consolidated or combined tax return with such municipal corporation may continue to file consolidated or combined tax returns in accordance with such election or agreement for taxable years beginning on and after January 1, 2016. (Ord. 32-23. Passed 11-27-23.)

Before the Municipality passes an ordinance allowing such a credit, the Municipality and the taxpayer shall enter into an agreement specifying all the conditions of the credit. (Ord. 32-23. Passed 11-27-23.)

183.07 DECLARATION OF ESTIMATED TAX.

(A) As used in this section:

(1) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's tax liability for a municipal corporation's income tax for the current taxable year.

(2) "Tax liability" means the total taxes due to a municipal corporation for the taxable year, after allowing any credit to which the taxpayer is entitled, and after applying any estimated tax payment, withholding payment, or credit from another taxable year.

(B) (1) Every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the Tax Administrator, if the amount payable as estimated taxes is at least two hundred dollars. For the purposes of this section:

(a) Taxes withheld from qualifying wages shall be considered as paid to the municipal corporation for which the taxes were withheld in equal amounts on each payment date. If the taxpayer establishes the dates on which all amounts were actually withheld, the amounts withheld shall be considered as paid on the dates on which the amounts were actually withheld.

(b) An overpayment of tax applied as a credit to a subsequent taxable year is deemed to be paid on the date of the postmark stamped on the cover in which the payment is mailed or, if the payment is made by electronic funds transfer, the date the payment is submitted. As used in this division, "date of the postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(c) A taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the Tax Administrator.

(d) Taxes withheld by a casino operator or by a lottery sales agent under section 718.031 of the Ohio Revised Code are deemed to be paid to the municipal corporation for which the taxes were withheld on the date the taxes are withheld from the taxpayer's winnings.

(2) Taxpayers filing joint returns shall file joint declarations of estimated taxes.

(3) The declaration of estimated taxes shall be filed on or before the date prescribed for the filing of municipal income tax returns under division (G) of Section 183.091 of this Chapter or on or before the fifteenth day of the fourth month of the first taxable year after the taxpayer becomes subject to tax for the first time.

(4) Taxpayers reporting on a fiscal year basis shall file a declaration on or before the fifteenth day of the fourth month after the beginning of each fiscal year or period.

(5) The original declaration or any subsequent amendment may be increased or decreased on or before any subsequent quarterly payment day as provided in this section.

(C) (1) The required portion of the tax liability for the taxable year that shall be paid through estimated taxes made payable to the Municipality or Tax Administrator, including the application of tax refunds to estimated taxes and withholding on or before the applicable payment date, shall be as follows:

(a) On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the tax liability for the taxable year;

(b) On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the tax liability for the taxable year;

(c) On or before the fifteenth day of the ninth month after the beginning of the taxable year, sixty-seven and one-half per cent of the tax liability for the taxable year;

(d) For an individual on or before the fifteenth day of the first month of the following taxable year, ninety percent of the tax liability for the taxable year. For a person other than an individual, on or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the tax liability for the taxable year.

(2) A taxpayer may amend a declaration under rules prescribed by the Tax Administrator. When an amended declaration has been filed, the unpaid balance shown due on the amended declaration shall be paid in equal installments on or before the remaining payment dates. The amended declaration must be filed on the next applicable due date as outlined in (C)(1)(a) through (d) of this section.

(3) On or before the fifteenth day of the fourth month of the year following that for which the declaration or amended declaration was filed, an annual return shall be filed and any balance which may be due shall be paid with the return in accordance with Section 183.091 of this Chapter.

(a) For taxpayers who are individuals, or who are not individuals and are reporting and filing on a calendar year basis, the annual tax return is due on the same date as the filing of the federal tax return, unless extended pursuant to division (G) of section 5747.08 of the Revised Code.

(b) For taxpayers who are not individuals, and are reporting and filing on a fiscal year basis or any period other than a calendar year, the annual return is due on the fifteenth day of the fourth month following the end of the taxable year or period.

(4) An amended declaration is required whenever the taxpayer's estimated tax liability changes during the taxable year. A change in estimated tax liability may either increase or decrease the estimated tax liability for the taxable year.

(D) (1) In the case of any underpayment of any portion of a tax liability, penalty and interest may be imposed pursuant to Section 183.10 of this Chapter upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:

(a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(b) For the second payment of estimated taxes each year, forty-five per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment;

(d) For the fourth payment of estimated taxes each year, ninety per cent of the tax liability, less the amount of taxes paid by the date prescribed for that payment.

(2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently required to be paid to avoid any penalty.

(E) An underpayment of any portion of tax liability determined under division (D) of this section shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:

(1) The amount of estimated taxes that were paid equals at least ninety per cent of the tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.

(2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a return with the municipal corporation under Section 183.091 of this Chapter for that year.

(3) The taxpayer is an individual who resides in the Municipality but was not domiciled there on the first day of January of the calendar year that includes the first day of the taxable year.

(F) A Tax Administrator may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.
(Ord. 32-23. Passed 11-27-23.)

183.08 CREDIT FOR TAX PAID.

183.081 CREDIT FOR TAX PAID TO ANOTHER MUNICIPALITY.

(A) Limitation: Where a resident of the City of Lancaster is subject to a municipal tax or joint economic development district tax (JEDD), on or measured by income, in another municipality or JEDD either located within or without the State of Ohio, he shall receive credit of the tax paid, not to exceed one percent (1.0%) against the tax imposed by this chapter, of the earnings taxed by such municipality or JEDD with the exception of the City of Lancaster residents shall receive a credit of not to exceed one and three-quarter percent (1.75%) of the earnings taxed by the City of Lancaster against the tax imposed by this chapter.

(1) Credits to residents: Resident individuals of the City of Lancaster who are required to pay and do pay a tax to another municipality or joint economic development district tax (JEDD) on qualifying wages, commissions or other compensation, for work done or services performed in such other municipality, may claim a credit of the amount of tax paid by them or on their behalf to such other municipality or JEDD but not to exceed one percent (1.0%) of such income earned and taxed by the other municipality or JEDD. Credit for taxes paid to the City of Lancaster shall not exceed one and three-quarter (1.75%) of the income taxed by the City of Lancaster.

(2) Method of applying for credit: No credit will be given unless the taxpayer claims such credit on his final return or other form prescribed by the Administrator, and presents such evidence of the payment of a similar tax to another municipality, as the Administrator may require.

(B) A statement satisfactory to the Administrator from the taxing authority of the municipality for which the taxes are paid, that a City of Lancaster resident or his employer is paying the tax shall be considered as fulfilling the filing requirements of this Article.

(C) If tax or withholding is paid to a municipal corporation on taxable income, and if a second municipal corporation imposes a tax on that taxable income after the time period allowed for a refund of the tax or withholding paid to the first municipal corporation, the second municipal corporation shall allow a nonrefundable credit, against the tax or withholding the second municipality claims is due with respect to such taxable income, equal to the tax or withholding paid to the first municipal corporation with respect to such taxable income. If the tax rate in the second municipal corporation is less than the tax rate in the first municipal corporation, then the credit shall be calculated using the tax rate in effect in the second municipal corporation.

(D) A refundable credit shall be allowed against the income tax imposed by a municipal corporation for each qualifying loss relating to a nonqualified deferred compensation plan sustained by a taxpayer during the taxable year. A "qualifying loss" means the excess, if any, of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan over the total amount of income the taxpayer has recognized for federal income tax purposes for all taxable years on a cumulative basis as compensation with respect to the taxpayer's receipt of money and property attributable to distributions in connection with the nonqualified deferred compensation plan. The amount of credit shall be equal to the product of the qualifying loss and the qualifying tax rate. With respect to a nonqualified deferred compensation plan, the taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan. In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to a municipal corporation for all taxable years with respect to the nonqualified deferred

compensation plan. The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to the insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan or the employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation.

(1) If, for one or more taxable years, the taxpayer has not paid to one or more municipal corporations income tax imposed on the entire amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan, then the "qualifying loss" is the product of the amount resulting from the calculation described in division (F) of this section and a fraction the numerator of which is the portion of such compensation on which the taxpayer has paid income tax to one or more municipal corporations and the denominator of which is the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.

(2) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.

(Ord. 32-23. Passed 11-27-23.)

183.082 REFUNDABLE CREDIT FOR QUALIFYING LOSS.

(A) As used in this section:

(1) "Nonqualified deferred compensation plan" means a compensation plan described in section 3121(v)(2)(C) of the Internal Revenue Code.

(2) (a) Except as provided in division (A)(2)(b) of this section, "qualifying loss" means the excess, if any, of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan over the total amount of income the taxpayer has recognized for federal income tax purposes for all taxable years on a cumulative basis as compensation with respect to the taxpayer's receipt of money and property attributable to distributions in connection with the nonqualified deferred compensation plan.

(b) If, for one or more taxable years, the taxpayer has not paid to one or more municipal corporations income tax imposed on the entire amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan, then the "qualifying loss" is the product of the amount resulting from the calculation described in division (A)(2)(a) of this section computed without regard to division (A)(2)(b) of this section and a fraction the numerator of which is the portion of such compensation on which the taxpayer has paid income tax to one or more municipal corporations and the denominator of which is the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan.

(c) With respect to a nonqualified deferred compensation plan, the taxpayer sustains a qualifying loss only in the taxable year in which the taxpayer receives the final distribution of money and property pursuant to that nonqualified deferred compensation plan.

(3) "Qualifying tax rate" means the applicable tax rate for the taxable year for the which the taxpayer paid income tax to a municipal corporation with respect to any portion of the total amount of compensation the payment of which is deferred pursuant to a nonqualified deferred compensation plan. If different tax rates applied for different taxable years, then the "qualifying tax rate" is a weighted average of those different tax rates. The weighted average shall be based upon the tax paid to the municipal corporation each year with respect to the nonqualified deferred compensation plan.

(B) (1) Except as provided in division (D) of this section, a refundable credit shall be allowed against the income tax imposed by a municipal corporation for each qualifying loss sustained by a taxpayer during the taxable year. The amount of the credit shall be equal to the product of the qualifying loss and the qualifying tax rate.

(2) A taxpayer shall claim the credit allowed under this section from each municipal corporation to which the taxpayer paid municipal income tax with respect to the nonqualified deferred compensation plan in one or more taxable years.

(3) If a taxpayer has paid tax to more than one municipal corporation with respect to the nonqualified deferred compensation plan, the amount of the credit that a taxpayer may claim from each municipal corporation shall be calculated on the basis of each municipal corporation's proportionate share of the total municipal corporation income tax paid by the taxpayer to all municipal corporations with respect to the nonqualified deferred compensation plan.

(4) In no case shall the amount of the credit allowed under this section exceed the cumulative income tax that a taxpayer has paid to a municipal corporation for all taxable years with respect to the nonqualified deferred compensation plan.

(C) (1) For purposes of this section, municipal corporation income tax that has been withheld with respect to a nonqualified deferred compensation plan shall be considered to have been paid by the taxpayer with respect to the nonqualified deferred compensation plan.

(2) Any municipal income tax that has been refunded or otherwise credited for the benefit of the taxpayer with respect to a nonqualified deferred compensation plan shall not be considered to have been paid to the municipal corporation by the taxpayer.

(D) The credit allowed under this section is allowed only to the extent the taxpayer's qualifying loss is attributable to:

(1) The insolvency or bankruptcy of the employer who had established the nonqualified deferred compensation plan; or

(2) The employee's failure or inability to satisfy all of the employer's terms and conditions necessary to receive the nonqualified deferred compensation. (Ord. 32-23. Passed 11-27-23.)

183.083 CREDIT FOR PERSON WORKING IN JOINT ECONOMIC DEVELOPMENT DISTRICT OR ZONE.

A Municipality shall grant a credit against its tax on income to a resident of the Municipality who works in a joint economic development zone created under section 715.691 or a joint economic development district created under section 715.70, 715.71, or 715.72 of the Ohio Revised Code to the same extent that it grants a credit against its tax on income to its residents who are employed in another municipal corporation, pursuant to Section 183.081 of this Chapter. (Ord. 32-23. Passed 11-27-23.)

183.084 CREDIT FOR TAX BEYOND STATUTE FOR OBTAINING REFUND.

(A) Income tax that has been deposited or paid to the Municipality, but should have been deposited or paid to another municipal corporation, is allowable by the Municipality as a refund, but is subject to the three-year limitation on refunds as provided in Section 183.096 of this Chapter.

(B) Income tax that should have been deposited or paid to the Municipality, but was deposited or paid to another municipal corporation, shall be subject to collection and recovery by the Municipality. To the extent a refund of such tax or withholding is barred by the limitation on refunds as provided in Section 183.096, the Municipality will allow a non-refundable credit equal to the tax or withholding paid to the other municipality against the income tax the Municipality claims is due. If the Municipality's tax rate is higher, the tax representing the net difference of the tax rates is also subject to collection by the Municipality, along with any penalty and interest accruing during the period of nonpayment.

(C) No carryforward of credit will be permitted when the overpayment is beyond the three-year limitation for refunding of same as provided in Section 183.096 of this Chapter.

(D) Nothing in this section requires a Municipality to allow credit for tax paid to another municipal corporation if the Municipality has reduced credit for tax paid to another municipal corporation. Section 183.081 of this Chapter regarding any limitation on credit shall prevail. (Ord. 32-23. Passed 11-27-23.)

183.09 ANNUAL RETURN.

183.091 RETURN AND PAYMENT OF TAX.

(A) (1) An annual return with respect to the income tax levied on Municipal Taxable Income by the Municipality shall be completed and filed by every taxpayer for any taxable year for which the taxpayer is subject to the tax, regardless of whether or not income tax is due.

(2) The Tax Administrator shall accept on behalf of all nonresident individual taxpayers a return filed by an employer, agent of an employer, or other payer located in the Municipality under Section 183.051(C) of this Chapter when the nonresident individual taxpayer's sole income subject to the tax is the qualifying wages reported by the employer, agent of an employer, or other payer, and no additional tax is due to the Municipality.

(3) (i) All resident individual taxpayers, 16 years of age and older, shall file an annual municipal income tax return with the Municipality, regardless of income or liability.

(ii) For tax years 2024 and after; the income of individual taxpayers 18 year of age and older.

(4) No return is needed if an individual is retired with no earned income.

(B) If an individual is deceased, any return or notice required of that individual shall be completed and filed by that decedent's executor, administrator, or other person charged with the property of that decedent.

(C) If an individual is unable to complete and file a return or notice required by the Municipality in accordance with this chapter, the return or notice required of that individual shall be completed and filed by the individual's duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual. Such duly authorized agent, guardian, conservator, fiduciary, or other person charged with the care of the person or property of that individual shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the duly authorized agent, guardian, conservator, fiduciary, or other person.

(D) Returns or notices required of an estate or a trust shall be completed and filed by the fiduciary of the estate or trust. Such fiduciary shall provide, with the filing of the return, appropriate documentation to support that they are authorized to file a return or notice on behalf of the taxpayer. This notice shall include any legally binding authorizations, and contact information including name, address, and phone number of the fiduciary.

(E) No municipal corporation shall deny spouses the ability to file a joint return.

(F) (1) Each return required to be filed under this section shall contain the signature of the taxpayer or the taxpayer's duly authorized agent and of the person who prepared the return for the taxpayer, and shall include the taxpayer's social security number or taxpayer identification number. Each return shall be verified by a declaration under penalty of perjury.

(2) A taxpayer who is an individual is required to include, with each annual return, amended return, or request for refund required under this section, copies of only the following documents: all of the taxpayer's Internal Revenue Service form W-2, "Wage and Tax Statements," including all information reported on the taxpayer's federal W-2, as well as taxable wages reported or withheld for any municipal corporation; the taxpayer's Internal Revenue Service form 1040 and with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return. An individual taxpayer who files the annual return required by this section electronically is not required to provide paper copies of any of the foregoing to the Tax Administrator unless the Tax Administrator requests such copies after the return has been filed.

(3) A taxpayer that is not an individual is required to include, with each annual net profit return, amended net profit return, or request for refund required under this section, copies of only the following documents: the taxpayer's Internal Revenue Service form 1041, form 1065, form 1120, form 1120-REIT, form 1120F, or form 1120S, and, with respect to an amended tax return or refund request, any other documentation necessary to support the refund request or the adjustments made in the amended return.

(4) A taxpayer that is not an individual and that files an annual net profit return electronically through the Ohio business gateway or in some other manner shall either mail the documents required under this division to the Tax Administrator at the time of filing or, if electronic submission is available, submit the documents electronically through the Ohio business gateway or a portal provided by Municipality. The department of taxation shall publish a method of electronically submitting the documents required under this division through the Ohio business gateway on or before January 1, 2016. The department shall transmit all documents submitted electronically under this division to the appropriate Tax Administrator.

(5) After a taxpayer files a tax return, the Tax Administrator shall request, and the taxpayer shall provide, any information, statements, or documents required by the Municipality to determine and verify the taxpayer's municipal income tax liability. The requirements imposed under division (F) of this section apply regardless of whether the taxpayer files on a generic form or on a form prescribed by the Tax Administrator.

(6) Any other documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses, or other pertinent factors on the return shall also be included to avoid delay in processing, or disallowance by the Tax Administrator of undocumented credits or losses.

(G) (1) Except as otherwise provided in this Chapter, each return required to be filed under this section shall be completed and filed as required by the Tax Administrator on or before the date prescribed for the filing of state individual income tax returns under division (G) of Section 5747.08 of the ORC. The taxpayer shall complete and file the return or notice on forms prescribed by the Tax Administrator or on generic forms, together with remittance made payable to City of Lancaster. No remittance is required if the net amount due is ten dollars or less.

(2) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of City of Lancaster's income tax return. The extended due date of City of Lancaster's income tax return shall be the 15th day of the tenth month after the last day of the taxable year to which the return relates. For tax years ending on or after January 1, 2023, the extended due date of City of Lancaster's income tax return for a taxpayer that is not an individual shall be the 15th day of the eleventh month after the last day of the taxable year to which the return relates. An extension of time to file under this division is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.

(a) A copy of the federal extension request shall be included with the filing of City of Lancaster's income tax return.

(b) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the Tax Administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's City of Lancaster income tax return. If the request is received by the Tax Administrator on or before the date the City of Lancaster income tax return is due, the Tax Administrator shall grant the taxpayer's requested extension.

(3) If the tax commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of Section 5747.08 of the ORC, a taxpayer shall automatically receive an extension for the filing of City of Lancaster's income tax return. The extended due date of City of Lancaster's income tax return shall be the same as the extended due date of the state income tax return.

(4) If the Tax Administrator considers it necessary in order to ensure the payment of the tax imposed by City of Lancaster, the Tax Administrator may require taxpayers to file returns and make payments otherwise than as provided in this division, including taxpayers not otherwise required to file annual returns.

(5) If a taxpayer receives an extension for the filing of a municipal income tax return under division (G)(2), (3), or (4) of this section, the tax administrator shall not make any inquiry or send any notice to the taxpayer with regard to the return on or before the date the taxpayer files the return or on or before the extended due date to file the return, whichever occurs first.

If a tax administrator violates division (G)(5) of this section, the municipal corporation shall reimburse the taxpayer for any reasonable costs incurred to respond to such inquiry or notice, up to $150. Division (G)(5) of this section does not apply to an extension received under division (G)(2) of this section if the tax administrator has actual knowledge that the taxpayer failed to file for a federal extension as required to receive the extension under division (G)(2) of this section or failed to file for an extension under division (G)(2)(b) of this section.

(6) To the extent that any provision in this division (G) of this section conflicts with any provision in divisions (N), (0), (P), or (Q) of this section, the provisions in divisions (N), (0), (P), or (Q) prevail.

(H) (1) For taxable years beginning after 2015, the Municipality shall not require a taxpayer to remit tax with respect to net profits if the amount due is ten dollars ($10.00) or less.

(2) Any taxpayer not required to remit tax to the Municipality for a taxable year pursuant to division (H)(1) of this section shall file with the Municipality an annual net profit return under division (F)(3) and (4) of this section.

(I) This division shall not apply to payments required to be made under division (B)(1)(b) of Section 183.051 of this Chapter.

(1) If any report, claim, statement, or other document required to be filed, or any payment required to be made, within a prescribed period or on or before a prescribed date under this chapter is delivered after that period or that to the Tax Administrator or other municipal official with which the report, claim, statement, or other document is required to be filed, or to which the payment is required to be made, the date of the postmark stamped on the cover in which the report, claim, statement, or other document, or payment is mailed shall be deemed to be the date of delivery or the date of payment. "The date of postmark" means, in the event there is more than one date on the cover, the earliest date imprinted on the cover by the postal service.

(2) If a payment is required to be made by electronic funds transfer, the payment is considered to be made when the payment is credited to an account designated by the Tax Administrator for the receipt of tax payments, except that, when a payment made by electronic funds transfer is delayed due to circumstances not under the control of the taxpayer, the payment is considered to be made when the taxpayer submitted the

payment. For purposes of this section, "submitted the payment" means the date which the taxpayer has designated for the delivery of payment, which may or may not be the same date as the date the payment was initiated by the taxpayer.

(J) The amounts withheld for the Municipality by an employer, the agent of an employer, or other payer as described in Section 183.051 of this Chapter shall be allowed to the recipient of the compensation as credits against payment of the tax imposed on the recipient unless the amounts withheld were not remitted to the Municipality and the recipient colluded with the employer, agent, or other payer in connection with the failure to remit the amounts withheld.

(K) Each return required by the Municipality to be filed in accordance with this section shall include a box that the taxpayer may check to authorize another person, including a tax return preparer who prepared the return, to communicate with the Tax Administrator about matters pertaining to the return. The return or instructions accompanying the return shall indicate that by checking the box the taxpayer authorizes the Tax Administrator to contact the preparer or other person concerning questions that arise during the examination or other review of the return and authorizes the preparer or other person only to provide the Tax Administrator with information that is missing from the return, to contact the Tax Administrator for information about the examination or other review of the return or the status of the taxpayer's refund or payments, and to respond to notices about mathematical errors, offsets, or return preparation that the taxpayer has received from the Tax Administrator and has shown to the preparer or other person. Authorization by the taxpayer of another person to communicate with the Tax Administrator about matters pertaining to the return does not preclude the Tax Administrator from contacting the taxpayer regarding such matters.

(L) The Tax Administrator of the Municipality shall accept for filing a generic form of any income tax return, report, or document required by the Municipality in accordance with this Chapter, provided that the generic form, once completed and filed, contains all of the information required by ordinances, resolutions, or rules adopted by the Municipality or Tax Administrator, and provided that the taxpayer or tax return preparer filing the generic form otherwise complies with the provisions of this Chapter and of the Municipality's Ordinance or resolution governing the filing of returns, reports, or documents.

(M) When income tax returns, reports, or other documents require the signature of a tax return preparer, the Tax Administrator shall accept a facsimile of such a signature in lieu of a manual signature.

(N) (1) As used in this division, "worksite location" has the same meaning as in Section 183.052 of this chapter.

(2) A person may notify a tax administrator that the person does not expect to be a taxpayer with respect to the municipal corporation for a taxable year if both of the following conditions apply:

(a) The person was required to file a tax return with the municipal corporation for the immediately preceding taxable year because the person performed services at a worksite location within the municipal corporation, and the person has filed all appropriate and required returns and remitted all applicable income tax and withholding payments as provided by this chapter. The tax administrator is not required to accept an affidavit from a taxpayer who has not complied with the provisions of this chapter.

(b) The person no longer provides services in the municipal corporation, and does not expect to be subject to the municipal corporation's income tax for the taxable year.

The person shall provide the notice in a signed affidavit that briefly explains the person's circumstances, including the location of the previous worksite location and the last date on which the person performed services or made any sales within the municipal corporation. The affidavit also shall include the following statement: "The affiant has no plans to perform any services within the municipal corporation, make any sales in the municipal corporation, or otherwise become subject to the tax levied by the municipal corporation during the taxable year. If the affiant does become subject to the tax levied by the municipal corporation for the taxable year, the affiant agrees to be considered a taxpayer and to properly register as a taxpayer with the municipal corporation, if such a registration is required by the municipal corporation's resolutions, ordinances, or rules." The person shall sign the affidavit under penalty of perjury.

(c) If a person submits an affidavit described in division (N)(2) of this section, the tax administrator shall not require the person to file any tax return for the taxable year unless the tax administrator possesses information that conflicts with the affidavit or if the circumstances described in the affidavit change, or the taxpayer has engaged in activity which results in work being performed, services provided, sales made, or other activity that results in municipal taxable income reportable to the Municipality in the taxable year. It shall be the responsibility of the taxpayer to comply with the provisions of this chapter relating to the reporting and filing of municipal taxable income on an annual municipal income tax return, even if an affidavit has been filed with the tax administrator for the taxable year. Nothing in division (N) of this section prohibits the tax administrator from performing an audit of the person. (Ord. 32-23. Passed 11-27-23.)

183.092 RETURN AND PAYMENT OF TAX; INDIVIDUALS SERVING IN COMBAT ZONE.

(A) Each member of the national guard of any state and each member of a reserve component of the armed forces of the United States called to active duty pursuant to an executive order issued by the President of the United States or an act of the Congress of the United States, and each civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces, may apply to the Tax Administrator of the Municipality for both an extension of time for filing of the return and an extension of time for payment of taxes required by the Municipality in accordance with this chapter during the period of the member's or civilian's duty service and for one hundred eighty days thereafter. The application shall be filed on or before the one hundred eightieth day after the member's or civilian's duty terminates. An applicant shall provide such evidence as the Tax Administrator considers necessary to demonstrate eligibility for the extension.

(B) (1) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the Tax Administrator shall enter into a contract with the applicant for the payment of the tax in installments that begin on the one hundred eighty-first day after the applicant's active duty or service terminates. Except as provided in division (B)(3) of this section, the Tax Administrator may prescribe such contract terms as the Tax Administrator considers appropriate.

(2) If the Tax Administrator ascertains that an applicant is qualified for an extension under this section, the applicant shall neither be required to file any return, report, or other tax document nor be required to pay any tax otherwise due to the Municipality before the one hundred eighty-first day after the applicant's active duty or service terminates.

(3) Taxes paid pursuant to a contract entered into under division (B)(1) of this section are not delinquent. The Tax Administrator shall not require any payments of penalties or interest in connection with those taxes for the extension period.

(C) (1) Nothing in this division denies to any person described in this division the application of divisions (A) and (B) of this section.

(2) (a) A qualifying taxpayer who is eligible for an extension under the Internal Revenue Code shall receive both an extension of time in which to file any return, report, or other tax document and an extension of time in which to make any payment of taxes required by the Municipality in accordance with this chapter. The length of any extension granted under division (C)(2)(a) of this section shall be equal to the length of the corresponding extension that the taxpayer receives under the Internal Revenue Code. As used in this section, "qualifying taxpayer" means a member of the national guard or a member of a reserve component of the armed forces of the United States called to active duty pursuant to either an executive order issued by the President of the United States or an act of the Congress of the United States, or a civilian serving as support personnel in a combat zone or contingency operation in support of the armed forces.

(b) Taxes the payment of which is extended in accordance with division (C)(2)(a) of this section are not delinquent during the extension period. Such taxes become delinquent on the first day after the expiration of the extension period if the taxes are not paid prior to that date. The Tax Administrator shall not require any payment of penalties or interest in connection with those taxes for the extension period. The Tax Administrator shall not include any period of extension granted under division (C)(2)(a) of this section in calculating the penalty or interest due on any unpaid tax.

(D) For each taxable year to which division (A), (B), or (C) of this section applies to a taxpayer, the provisions of divisions (B)(2) and (3) or (C) of this section, as applicable, apply to the spouse of that taxpayer if the filing status of the spouse and the taxpayer is married filing jointly for that year. (Ord. 32-23. Passed 11-27-23.)

183.093 USE OF OHIO BUSINESS GATEWAY; TYPES OF FILINGS AUTHORIZED.

(A) Any taxpayer subject to municipal income taxation with respect to the taxpayer's net profit from a business or profession may file any municipal income tax return or, estimated municipal income tax return, or extension for filing a municipal income tax return, and may make payment of amounts shown to be due on such returns, by using the Ohio Business Gateway.

(B) Any employer, agent of an employer, or other payer may report the amount of municipal income tax withheld from qualifying wages, and may make remittance of such amounts, by using the Ohio Business Gateway.

(C) Nothing in this section affects the due dates for filing employer withholding tax returns or deposit of any required tax.

(D) The use of the Ohio Business Gateway by municipal corporations, taxpayers, or other persons does not affect the legal rights of municipalities or taxpayers as otherwise permitted by law. The State of Ohio shall not be a party to the administration of municipal income taxes or to an appeal of a municipal income tax matter, except as otherwise specifically provided by law.

(E) Nothing in this section shall be construed as limiting or removing the authority of any municipal corporation to administer, audit, and enforce the provisions of its municipal income tax. (Ord. 32-23. Passed 11-27-23.)

183.094 EXTENSION OF TIME TO FILE.

(A) Any taxpayer that has duly requested an automatic six-month extension for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the fifteenth day of the tenth month after the last day of the taxable year to which the return relates.

(B) Any taxpayer that qualifies for an automatic federal extension for a period other than six-months for filing the taxpayer's federal income tax return shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as that of the extended federal income tax return.

(C) A taxpayer that has not requested or received a six-month extension for filing the taxpayer's federal income tax return may request that the tax administrator grant the taxpayer a six-month extension of the date for filing the taxpayer's municipal income tax return. If the request is received by the tax administrator on or before the date the municipal income tax return is due, the tax administrator shall grant the taxpayer's requested extension.

(D) An extension of time to file under this chapter is not an extension of the time to pay any tax due unless the Tax Administrator grants an extension of that date.

(E) If the State Tax Commissioner extends for all taxpayers the date for filing state income tax returns under division (G) of section 5747.08 of the Ohio Revised Code, a taxpayer shall automatically receive an extension for the filing of a municipal income tax return. The extended due date of the municipal income tax return shall be the same as the extended due date of the state income tax return. (Ord. 32-23. Passed 11-27-23.)

183.095 AMENDED RETURNS.

(A) (1) A taxpayer shall file an amended return with the Tax Administrator in such form as the Tax Administrator requires if any of the facts, figures, computations, or attachments required in the taxpayer's annual return to determine the tax due levied by the Municipality in accordance with this chapter must be altered.

(2) Within sixty days after the final determination of any federal or state tax liability affecting the taxpayer's municipal tax liability, that taxpayer shall make and file an amended municipal return showing income subject to the municipal income tax based upon such final determination of federal or state tax liability, and pay any additional municipal income tax shown due thereon or make a claim for refund of any overpayment, unless the tax or overpayment is ten dollars or less.

(3) If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the Tax Administrator before filing the amended return.

(B) (1) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. If the combined tax shown to be due is ten dollars or less, such amount need not accompany the amended return. Except as provided under division (B)(2) of this section, the amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless the applicable statute of limitations for civil actions or prosecutions under Section 183.19 of this Chapter has not expired for a previously filed return.

(2) The additional tax to be paid shall not exceed the amount of tax that would be due if all facts, figures, computations, and attachments were reopened.

(C) (1) In the case of an overpayment, a request for refund may be filed under this division within the period prescribed by division (A)(2) of section 183.19 of this Chapter for filing the amended return even if it is filed beyond the period prescribed in that division if it otherwise conforms to the requirements of that division. If the amount of the refund is ten dollars or less, no refund need be paid by the Municipality to the taxpayer. Except as set forth in division (C)(2) of this section, a request filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return unless it is also filed within the time prescribed in Section 183.096 of this Chapter. Except as set forth in division (C)(2) of this section, the request shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal or state income tax return.

(2) The amount to be refunded shall not exceed the amount of refund that would be due if all facts, figures, computations, and attachments were reopened. (Ord. 32-23. Passed 11-27-23.)

183.096 REFUNDS.

(A) Upon receipt of a request for a refund, the Tax Administrator of the Municipality, in accordance with this section, shall refund to employers, agents of employers, other payers, or taxpayers, with respect to any income or withholding tax levied by the Municipality:

(1) Overpayments of more than ten dollars;

(2) Amounts paid erroneously if the refund requested exceeds ten dollars.

(B) (1) Except as otherwise provided in this chapter, returns setting forth a request for refund shall be filed with the Tax Administrator, within three years after the tax was due or paid, whichever is later. Any documentation that substantiates the taxpayer's claim for a refund must be included with the return filing. Failure to remit all documentation, including schedules, other municipal income tax returns, or other supporting documentation necessary to verify credits, income, losses or other pertinent factors on the return will cause delay in processing, and / or disallowance of undocumented credits or losses.

(2) On filing of the refund request, the Tax Administrator shall determine the amount of refund due and certify such amount to the appropriate municipal corporation official for payment. Except as provided in division (B)(3) of this section, the administrator shall issue an assessment to any taxpayer whose request for refund is fully or partially denied. The assessment shall state the amount of the refund that was denied, the reasons for the denial, and instructions for appealing the assessment.

(3) If a Tax Administrator denies in whole or in part a refund request included within the taxpayer's originally filed annual income tax return, the Tax Administrator shall notify the taxpayer, in writing, of the amount of the refund that was denied, the reasons for the denial, and instructions for requesting an assessment that may be appealed under Section 183.18 of this Chapter.

(C) A request for a refund that is received after the last day for filing specified in division (B) of this section shall be considered to have been filed in a timely manner if any of the following situations exist:

(1) The request is delivered by the postal service, and the earliest postal service postmark on the cover in which the request is enclosed is not later than the last day for filing the request.

(2) The request is delivered by the postal service, the only postmark on the cover in which the request is enclosed was affixed by a private postal meter, the date of that postmark is not later than the last day for filing the request, and the request is received within seven days of such last day.

(3) The request is delivered by the postal service, no postmark date was affixed to the cover in which the request is enclosed or the date of the postmark so affixed is not legible, and the request is received within seven days of the last day for making the request.

(D) Interest shall be allowed and paid on any overpayment by a taxpayer of any municipal income tax obligation from the date of the overpayment until the date of the refund of the overpayment, except that if any overpayment is refunded within ninety days after the final filing date of the annual return or ninety days after the completed return is filed, whichever is later, no interest shall be allowed on the refund. For the purpose of computing the payment of interest on amounts overpaid, no amount of tax for any taxable year shall be considered to have been paid before the date on which the return on which the tax is reported is due, without regard to any extension of time for filing that return. Interest shall be paid at the interest rate described in division (A)(4) of Section 183.10 of this Chapter.

(E) As used in this section, "withholding tax" has the same meaning as in Section 183.10 of this Chapter. (Ord. 32-23. Passed 11-27-23.)

183.10 PENALTY, INTEREST, FEES, AND CHARGES.

(A) As used in this section:

(1) "Applicable law" means this chapter, the resolutions, ordinances, codes, directives, instructions, and rules adopted by the Municipality provided such resolutions, ordinances, codes, directives, instructions, and rules impose or directly or indirectly address the levy, payment, remittance, or filing requirements of a municipal income tax.

Returns required to be filed or payments required to be made before January 1, 2016, but filed or paid after that date shall be subject to the ordinances or rules, as adopted from time to time before January 1, 2016 of this Municipality.

(C) Should any taxpayer, employer, agent of the employer, or other payer for any reason fails, in whole or in part, to make timely and full payment or remittance of income tax, estimated income tax, or withholding tax or to file timely with the-City of Lancaster any return required to be filed, the following penalties and interest shall apply:

(1) Interest shall be imposed at the rate described in division (A) of this section, per annum, on all unpaid income tax, unpaid estimated income tax, and unpaid withholding tax.

(2) (a) With respect to unpaid income tax and unpaid estimated income tax, City of Lancaster may impose a penalty equal to fifteen percent (15%) of the amount not timely paid.

(b) With respect to any unpaid withholding tax, City of Lancaster may impose a penalty equal to fifty percent (50%) of the amount not timely paid.

(3) (a) For tax years ending on or before December 31, 2022, with respect to returns other than estimated income tax returns, City of Lancaster may impose a penalty of twenty-five dollars ($25.00) for each failure to timely file each return, regardless of the liability shown thereon for each month, or any fraction thereof, during which the return remains untiled regardless of the liability shown thereon. The penalty shall not exceed one hundred fifty dollars ($150.00) for each failure.

(b) For tax years ending on or after January 1, 2023, with respect to returns other than estimated income tax returns, City of Lancaster may impose a penalty not exceeding twenty-five dollars ($25.00) for each failure to timely file each return, regardless of the liability shown thereon, except that City of Lancaster shall abate or refund the penalty assessed on a taxpayer's first failure to timely file a return after the taxpayer files that return.

(D) With respect to income taxes, estimated income taxes, withholding taxes, and returns, the Municipality shall not impose, seek to collect, or collect any penalty, amount of interest, charges or additional fees not described in this section.

(E) With respect to income taxes, estimated income taxes, withholding taxes, and returns, the Municipality shall not refund or credit any penalty, amount of interest, charges, or additional fees that were properly imposed or collected before January 1, 2016.

(F) The Tax Administrator may, in the Tax Administrator's sole discretion, abate or partially abate penalties or interest imposed under this section when the Tax Administrator deems such abatement or partial abatement to be appropriate. Such abatement or partial abatement shall be properly documented and maintained on the record of the taxpayer who received benefit of such abatement or partial abatement.

(G) The Municipality shall impose on the taxpayer, employer, any agent of the employer, or any other payer the Municipality's post-judgment collection costs and fees, including attorney's fees. (Ord. 32-23. Passed 11-27-23.)

183.11 AUDIT.

(A) At or before the commencement of an audit, as defined in Section 183.03(3) of this Chapter, the Tax Administrator shall provide to the taxpayer a written description of the roles of the Tax Administrator and of the taxpayer during an audit and a statement of the taxpayer's rights, including any right to obtain a refund of an overpayment of tax. At or before the commencement of an audit, the Tax Administrator shall inform the taxpayer when the audit is considered to have commenced.

(B) Except in cases involving suspected criminal activity, the Tax Administrator shall conduct an audit of a taxpayer during regular business hours and after providing reasonable notice to the taxpayer. A taxpayer who is unable to comply with a proposed time for an audit on the grounds that the proposed time would cause inconvenience or hardship must offer reasonable alternative dates for the audit.

(C) At all stages of an audit by the Tax Administrator, a taxpayer is entitled to be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner. The Tax Administrator shall prescribe a form by which a taxpayer may designate such a person to assist or represent the taxpayer in the conduct of any proceedings resulting from actions by the Tax Administrator. If a taxpayer has not submitted such a form, the Tax Administrator may accept other evidence, as the Tax Administrator considers appropriate, that a person is the authorized representative of a taxpayer.

A taxpayer may refuse to answer any questions asked by the person conducting an audit until the taxpayer has an opportunity to consult with the taxpayer's attorney, accountant, bookkeeper, or other tax practitioner. This division does not authorize the practice of law by a person who is not an attorney.

(D) A taxpayer may record, electronically or otherwise, the audit examination.

(E) The failure of the Tax Administrator to comply with a provision of this section shall neither excuse a taxpayer from payment of any taxes owed by the taxpayer nor cure any procedural defect in a taxpayer's case.

(F) If the Tax Administrator fails to substantially comply with the provisions of this section, the Tax Administrator, upon application by the taxpayer, shall excuse the taxpayer from penalties and interest arising from the audit. (Ord. 32-23. Passed 11-27-23.)

If a person chooses to round amounts entered on a document, the person shall round all amounts entered on the document.
(Ord. 32-23. Passed 11-27-23.)

183.13 AUTHORITY AND POWERS OF THE TAX ADMINISTRATOR.

183.131 AUTHORITY OF TAX ADMINISTRATOR; ADMINISTRATIVE POWERS OF THE TAX ADMINISTRATOR.

The Tax Administrator has the authority to perform all duties and functions necessary and appropriate to implement the provisions of this Chapter, including without limitation:

(A) Exercise all powers whatsoever of an inquisitorial nature as provided by law, including, the right to inspect books, accounts, records, memorandums, and federal and state income tax returns, to examine persons under oath, to issue orders or subpoenas for the production of books, accounts, papers, records, documents, and testimony, to take depositions, to apply to a court for attachment proceedings as for contempt, to approve vouchers for the fees of officers and witnesses, and to administer oaths; provided that the powers referred to in this division of this section shall be exercised by the Tax Administrator only in connection with the performance of the duties respectively assigned to the Tax Administrator under a municipal corporation income tax ordinance or resolution adopted in accordance with this chapter;

(B) Appoint agents and prescribe their powers and duties;
(C) Confer and meet with officers of other municipal corporations and states and officers of the United States on any matters pertaining to their respective official duties as provided by law;
(D) Exercise the authority provided by law, including orders from bankruptcy courts, relative to remitting or refunding taxes, including penalties and interest thereon, illegally or erroneously imposed or collected, or for any other reason overpaid, and, in addition, the Tax Administrator may investigate any claim of overpayment and make a written statement of the Tax Administrator's findings, and, if the Tax Administrator finds that there has been an overpayment, approve and issue a refund payable to the taxpayer, the taxpayer's assigns, or legal representative as provided in this chapter;

(F) Exercise the authority provided by law relative to the use of alternative apportionment methods by taxpayers in accordance with Section 183.062 of this Chapter;
(G) Make all tax findings, determinations, computations, assessments and orders the Tax Administrator is by law authorized and required to make and, pursuant to time limitations provided by law, on the Tax Administrator's own motion, review, redetermine, or correct any tax findings, determinations, computations, assessments or orders the Tax Administrator has made, but the Tax Administrator shall not review, redetermine, or correct any tax finding, determination, computation, assessment or order which the Tax Administrator has made for which an appeal has been filed with the Local Board of Tax Review or other appropriate tribunal, unless such appeal or application is withdrawn by the appellant or applicant, is dismissed, or is otherwise final;
(H) Destroy any or all returns or other tax documents in the manner authorized by law;
(I) Enter into an agreement with a taxpayer to simplify the withholding obligations described in Section 183.051 of this Chapter.
(Ord. 32-23. Passed 11-27-23.)

183.132 AUTHORITY OF TAX ADMINISTRATOR; COMPROMISE OF CLAIM AND PAYMENT OVER TIME.

(A) As used in this section, "claim" means a claim for an amount payable to the Municipality that arises pursuant to the municipal income tax imposed in accordance with this chapter.

(B) The Tax Administrator may do either of the following if such action is in the best interests of the Municipality:
(1) Compromise a claim;
(2) Extend for a reasonable period the time for payment of a claim by agreeing to accept monthly or other periodic payments, upon such terms and conditions as the Tax Administrator may require.

(C) The Tax Administrator's rejection of a compromise or payment-over-time agreement proposed by a person with respect to a claim shall not be appealable.

(D) A compromise or payment-over-time agreement with respect to a claim shall be binding upon and shall inure to the benefit of only the parties to the compromise or agreement, and shall not extinguish or otherwise affect the liability of any other person.

(E) (1) A compromise or payment-over-time agreement with respect to a claim shall be void if the taxpayer defaults under the compromise or agreement or if the compromise or agreement was obtained by fraud or by misrepresentation of a material fact. Any amount that was due before the compromise or agreement and that is unpaid shall remain due, and any penalties or interest that would have accrued in the absence of the compromise or agreement shall continue to accrue and be due.

(2) The Tax Administrator shall have sole discretion to determine whether or not penalty, interest, charges or applicable fees will be assessed through the duration of any compromise or payment-over-time agreement.

(F) The Tax Administrator may require that the taxpayer provide detailed financial documentation and information, in order to determine whether or not a payment-over-time agreement will be authorized. The taxpayer's failure to provide the necessary and required information by the Tax Administrator shall preclude consideration of a payment-over-time agreement. (Ord. 32-23. Passed 11-27-23.)

183.133 AUTHORITY OF TAX ADMINISTRATOR; RIGHT TO EXAMINE.

(A) The Tax Administrator, or any authorized agent or employee thereof may examine the books, papers, records, and federal and state income tax returns of any employer, taxpayer, or other person that is subject to, or that the Tax Administrator believes is subject to, the provisions of this Chapter for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due under this Chapter. Upon written request by the Tax Administrator or a duly authorized agent or employee thereof, every employer, taxpayer, or other person subject to this section is required to furnish the opportunity for the Tax Administrator, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(B) The records and other documents of any taxpayer, employer, or other person that is subject to, or that a Tax Administrator believes is subject to, the provisions of this Chapter shall be open to the Tax Administrator's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the Tax Administrator, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The Tax Administrator of a municipal corporation may require any person, by notice served on that person, to keep such records as the Tax Administrator determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by the Municipality or for the withholding of such tax.

(C) The Tax Administrator may examine under oath any person that the Tax Administrator reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The Tax Administrator may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal and state income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the Tax Administrator compelling attendance at a hearing or examination or the production of books, papers, records, or federal and state income tax returns under this section shall fail to comply.
(Ord. 32-23. Passed 11-27-23.)

183.134 AUTHORITY OF TAX ADMINISTRATOR; REQUIRING IDENTIFYING INFORMATION.

(A) The Tax Administrator may require any person filing a tax document with the Tax Administrator to provide identifying information, which may include the person's social security number, federal employer identification number, or other identification number requested by the Tax Administrator. A person required by the Tax Administrator to provide identifying information that has experienced any change with respect to that information shall notify the Tax Administrator of the change before, or upon, filing the next tax document requiring the identifying information.

(B) (1) If the Tax Administrator makes a request for identifying information and the Tax Administrator does not receive valid identifying information within thirty days of making the request, nothing in this chapter prohibits the Tax Administrator from imposing a penalty upon the person to whom the request was directed pursuant to Section 183.10 of this Chapter, in addition to any applicable penalty described in section 183.99 of this Chapter.

(2) If a person required by the Tax Administrator to provide identifying information does not notify the Tax Administrator of a change with respect to that information as required under division (A) of this section within thirty days after filing the next tax document requiring such identifying information, nothing in this chapter prohibits the Tax Administrator from imposing a penalty pursuant to Section 183.10 of this Chapter.

(3) The penalties provided for under divisions (B)(1) and (2) of this section may be billed and imposed in the same manner as the tax or fee with respect to which the identifying information is sought and are in addition to any applicable criminal penalties described in section 183.99 of this Chapter for a violation of 183.15 of this Chapter and any other penalties that may be imposed by the Tax Administrator by law.
(Ord. 32-23. Passed 11-27-23.)

183.14 CONFIDENTIALITY.

(A) Any information gained as a result of returns, investigations, hearings, or verifications required or authorized by ORC 718 or by the charter or ordinance of the Municipality is confidential, and no person shall access or disclose such information except in accordance with a proper judicial order or in connection with the performance of that person's official duties or the official business of the Municipality as authorized by ORC 718 or the charter or ordinance authorizing the levy. The Tax Administrator of the Municipality or a designee thereof may furnish copies of returns filed or otherwise received under this chapter and other related tax information to the Internal Revenue Service, the State Tax Commissioner, and Tax Administrators of other municipal corporations.

(B) This section does not prohibit the Municipality from publishing or disclosing statistics in a form that does not disclose information with respect to particular taxpayers.
(Ord. 32-23. Passed 11-27-23.)

183.15 FRAUD.

No person shall knowingly make, present, aid, or assist in the preparation or presentation of a false or fraudulent report, return, schedule, statement, claim, or document authorized or required by municipal corporation ordinance or state law to be filed with the Tax Administrator, or knowingly procure, counsel, or advise the preparation or presentation of such report, return, schedule, statement, claim, or document, or knowingly change, alter, or amend, or knowingly procure, counsel or advise such change, alteration, or amendment of the records upon which such report, return, schedule, statement, claim, or document is based with intent to defraud the Municipality or the Tax Administrator.
(Ord. 32-23. Passed 11-27-23.)

183.16 OPINION OF THE TAX ADMINISTRATOR.

(A) An "opinion of the Tax Administrator" means an opinion issued under this section with respect to prospective municipal income tax liability. It does not include ordinary correspondence of the Tax Administrator.

(B) A taxpayer may submit a written request for an opinion of the Tax Administrator as to whether or how certain income, source of income, or a certain activity or transaction will be taxed. The written response of the Tax Administrator shall be an "opinion of the Tax Administrator" and shall bind the Tax Administrator, in accordance with divisions (C), (G), and (H) of this section, provided all of the following conditions are satisfied:

(1) The taxpayer's request fully and accurately describes the specific facts or circumstances relevant to a determination of the taxability of the income, source of income, activity, or transaction, and, if an activity or transaction, all parties involved in the activity or transaction are clearly identified by name, location, or other pertinent facts.

(2) The request relates to a tax imposed by the Municipality in accordance with this Chapter.

(3) The Tax Administrator's response is signed by the Tax Administrator and designated as an "opinion of the Tax Administrator."

(C) An opinion of the Tax Administrator shall remain in effect and shall protect the taxpayer for whom the opinion was prepared and who reasonably relies on it from liability for any taxes, penalty, or interest otherwise chargeable on the activity or transaction specifically held by the Tax Administrator's opinion to be taxable in a particular manner or not to be subject to taxation for any taxable years that may be specified in the opinion, or until the earliest of the following dates:

(1) The effective date of a written revocation by the Tax Administrator sent to the taxpayer by certified mail, return receipt requested. The effective date of the revocation shall be the taxpayer's date of receipt or one year after the issuance of the opinion, whichever is later;

(2) The effective date of any amendment or enactment of a relevant section of the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance that would substantially change the analysis and conclusion of the opinion of the Tax Administrator;

(3) The date on which a court issues an opinion establishing or changing relevant case law with respect to the Ohio Revised Code, uncodified state law, or the Municipality's income tax ordinance;

(4) If the opinion of the Tax Administrator was based on the interpretation of federal law, the effective date of any change in the relevant federal statutes or regulations, or the date on which a court issues an opinion establishing or changing relevant case law with respect to federal statutes or regulations;

(5) The effective date of any change in the taxpayer's material facts or circumstances;

(6) The effective date of the expiration of the opinion, if specified in the opinion.

(D) (1) A taxpayer is not relieved of tax liability for any activity or transaction related to a request for an opinion that contained any misrepresentation or omission of one or more material facts.

(2) If the taxpayer knowingly has misrepresented the pertinent facts or omitted material facts with intent to defraud the Municipality in order to obtain a more favorable opinion, the taxpayer may be in violation of Section 183.15 of this Chapter 183.

(E) If a Tax Administrator provides written advice under this section, the opinion shall include a statement that:

(1) The tax consequences stated in the opinion may be subject to change for any of the reasons stated in division (C) of this section;

(2) It is the duty of the taxpayer to be aware of such changes.

(F) A Tax Administrator may refuse to offer an opinion on any request received under this section.

(G) This section binds a Tax Administrator only with respect to opinions of the Tax Administrator issued on or after January 1, 2016.

(H) An opinion of a Tax Administrator binds that Tax Administrator only with respect to the taxpayer for whom the opinion was prepared and does not bind the Tax Administrator of any other municipal corporation.

(I) A Tax Administrator shall make available the text of all opinions issued under this section, except those opinions prepared for a taxpayer who has requested that the text of the opinion remain confidential. In no event shall the text of an opinion be made available until the Tax Administrator has removed all information that identifies the taxpayer and any other parties involved in the activity or transaction.

(J) An opinion of the Tax Administrator issued under this section or a refusal to offer an opinion under subsection (F) may not be appealed.
(Ord. 32-23. Passed 11-27-23.)

183.17 ASSESSMENT; APPEAL BASED ON PRESUMPTION OF DELIVERY.

(A) (1) The Tax Administrator shall serve an assessment either by personal service, by certified mail, or by a delivery service authorized under section 5703.056 of the Ohio Revised Code.

(2) The Tax Administrator may deliver the assessment through alternative means as provided in this section, including, but not limited to, delivery by secure electronic mail. Such alternative delivery method must be authorized by the person subject to the assessment.

(3) Once service of the assessment has been made by the Tax Administrator or other municipal official, or the designee of either, the person to whom the assessment is directed may protest the ruling of that assessment by filing an appeal with the Local Board of Tax Review within sixty days after the receipt of service. The delivery of an assessment of the Tax Administrator as prescribed in Section 718.18 of the Revised Code is prima facie evidence that delivery is complete and that the assessment is served.

(B) (1) A person may challenge the presumption of delivery and service as set forth in this division. A person disputing the presumption of delivery and service under this section bears the burden of proving by a preponderance of the evidence that the address to which the assessment was sent was not an address with which the person was associated at the time the Tax Administrator originally mailed the assessment by certified mail. For the purposes of this section, a person is associated with an address at the time the Tax Administrator originally mailed the assessment if, at that time, the person was residing, receiving legal documents, or conducting business at the address; or if, before that time, the person had conducted business at the address and, when the assessment was mailed, the person's agent or the person's affiliate was conducting business at the address. For the purposes of this section, a person's affiliate is any other person that, at the time the assessment was mailed, owned or controlled at least twenty per cent, as determined by voting rights, of the addressee's business.

(2) If a person elects to appeal an assessment on the basis described in division (B)(1) of this section, and if that assessment is subject to collection and is not otherwise appealable, the person must do so within sixty days after the initial contact by the Tax Administrator or other municipal official, or the designee of either, with the person. Nothing in this division prevents the Tax Administrator or other official from entering into a compromise with the person if the person does not actually file such an appeal with the Local Board of Tax Review.
(Ord. 32-23. Passed 11-27-23.)

183.18 LOCAL BOARD OF TAX REVIEW; APPEAL TO LOCAL BOARD OF TAX REVIEW.

(A) (1) The legislative authority of the Municipality shall maintain a Local Board of Tax Review to hear appeals as provided in Ohio Revised Code Chapter 718.

(2) The Local Board of Tax Review shall consist of three members. The three members of the Local Board of Tax Review may be domiciled in the Municipality, but the appointing authority may consider membership from individuals who are not domiciled within the Municipality.

Two members shall be appointed by the legislative authority of the Municipality, and may not be employees, elected officials, or contractors with the Municipality at any time during their term or in the five years immediately preceding the date of appointment. One member shall be appointed by the top administrative official of the Municipality. This member may be an employee of the Municipality, but may not be the director of finance or equivalent officer, or the Tax Administrator or other similar official or an employee directly involved in municipal tax matters, or any direct subordinate thereof.

(3) The term for members of the Local Board of Tax Review appointed by the legislative authority of the Municipality shall be two years. There is no limit on the number of terms that a member may serve should the member be reappointed by the legislative authority. The board member appointed by the top administrative official of the Municipality shall serve at the discretion of the administrative official.

(4) Members of the board of tax review appointed by the legislative authority may be removed by the legislative authority as set forth in Section 718.11(A)(4) of the Revised Code.

(5) A member of the board who, for any reason, ceases to meet the qualifications for the position prescribed by this section shall resign immediately by operation of law.

(6) A vacancy in an unexpired term shall be filled in the same manner as the original appointment within sixty days of when the vacancy was created. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of such term. No vacancy on the board shall impair the power and authority of the remaining members to exercise all the powers of the board.

(7) If a member is temporarily unable to serve on the board due to a conflict of interest, illness, absence, or similar reason, the legislative authority or top administrative official that appointed the member shall appoint another individual to temporarily serve on the board in the member's place. This appointment shall be subject to the same requirements and limitations as are applicable to the appointment of the member temporarily unable to serve.

(8) No member of the Local Board of Tax Review shall receive compensation, fee, or reimbursement of expenses for service on the board.

(B) Whenever a Tax Administrator issues an assessment, the Tax Administrator shall notify the taxpayer in writing at the same time of the taxpayer's right to appeal the assessment, the manner in which the taxpayer may appeal the assessment, and the address to which the appeal should be directed, and to whom the appeal should be directed.

(C) Any person who has been issued an assessment may appeal the assessment to the board by filing a request with the board. The request shall be in writing, shall specify the reason or reasons why the assessment should be deemed incorrect or unlawful, and shall be filed within sixty days after the taxpayer receives the assessment.

(D) The Local Board of Tax Review shall schedule a hearing to be held within sixty days after receiving an appeal of an assessment under division (C) of this section, unless the taxpayer requests additional time to prepare or waives a hearing. If the taxpayer does not waive the hearing, the taxpayer may appear before the board and/or may be represented by an attorney at law, certified public accountant, or other representative. The board may allow a hearing to be continued as jointly agreed to by the parties. In such a case, the hearing must be completed within one hundred twenty days after the first day of the hearing unless the parties agree otherwise.

(E) The board may affirm, reverse, or modify the Tax Administrator's assessment or any part of that assessment. The board shall issue a final determination on the appeal within ninety days after the board's final hearing on the appeal, and send a copy of its final determination by ordinary mail to all of the parties to the appeal within fifteen days after issuing the final determination. The taxpayer or the Tax Administrator may appeal the board's final determination as provided in section 5717.011 of the Ohio Revised Code.

(F) The Local Board of Tax Review created pursuant to this section shall adopt rules governing its procedures, including a schedule of related costs, and shall keep a record of its transactions. The rules governing the Local Board of Tax Review procedures shall be in writing, and may be amended as needed by the Local Board of Tax Review. Such records are not public records available for inspection under section 149.43 of the Ohio Revised Code. For this reason, any documentation, copies of returns or reports, final determinations, or working papers for each case must be maintained in a secure location under the control of the Tax Administrator. No member of the Local Board of Tax Review may remove such documentation, copies of returns or reports, final determinations, or working papers from the hearing. Hearings requested by a taxpayer before a Local Board of Tax Review created pursuant to this section are not meetings of a public body subject to section 121.22 of the Ohio Revised Code. For this reason, such hearings shall not be open to the public, and only those parties to the case may be present during the hearing.
(Ord. 32-23. Passed 11-27-23.)

183.19 ACTIONS TO RECOVER; STATUTE OF LIMITATIONS.

(A) (1) (a) Civil actions to recover municipal income taxes and penalties and interest on municipal income taxes shall be brought within the latter of:

(i) Three years after the tax was due or the return was filed, whichever is later; or

(ii) One year after the conclusion of the qualifying deferral period, if any.

(b) The time limit described in division (A)(1)(a) of this section may be extended at any time if both the Tax Administrator and the employer, agent of the employer, other payer, or taxpayer consent in writing to the extension. Any extension shall also extend for the same period of time the time limit described in division (C) of this section.

(2) As used in this section, "qualifying deferral period" means a period of time beginning and ending as follows:

(a) Beginning on the date a person who is aggrieved by an assessment files with a Local Board of Tax Review the request described in Section 183.18 of this Chapter. That date shall not be affected by any subsequent decision, finding, or holding by any administrative body or court that the Local Board of Tax Review with which the aggrieved person filed the request did not have jurisdiction to affirm, reverse, or modify the assessment or any part of that assessment.

(b) Ending the later of the sixtieth day after the date on which the final determination of the Local Board of Tax Review becomes final or, if any party appeals from the determination of the Local Board of Tax Review, the sixtieth day after the date on which the final determination of the Local Board of Tax Review is either ultimately affirmed in whole or in part or ultimately reversed and no further appeal of either that affirmation, in whole or in part, or that reversal is available or taken.

(B) Prosecutions for an offense made punishable under a resolution or ordinance imposing an income tax shall be commenced within three years after the commission of the offense, provided that in the case of fraud, failure to file a return, or the omission of twenty-five per cent or more of income required to be reported, prosecutions may be commenced within six years after the commission of the offense.

(C) A claim for a refund of municipal income taxes shall be brought within the time limitation provided in Section 183.096 of this Chapter.

(D) (1) Notwithstanding the fact that an appeal is pending, the petitioner may pay all or a portion of the assessment that is the subject of the appeal. The acceptance of a payment by the Municipality does not prejudice any claim for refund upon final determination of the appeal.

(2) If upon final determination of the appeal an error in the assessment is corrected by the Tax Administrator, upon an appeal so filed or pursuant to a final determination of the Local Board of Tax Review created under Section 183.18 of this Chapter, of the Ohio board of tax appeals, or any court to which the decision of the Ohio board of tax appeals has been appealed, so that the amount due from the party assessed under the corrected assessment is less than the amount paid, there shall be issued to the appellant or to the appellant's assigns or legal representative a refund in the amount of the overpayment as provided by Section 183.096 of this Chapter, with interest on that amount as provided by division (D) of this section.

(E) No civil action to recover municipal income tax or related penalties or interest shall be brought during either of the following time periods:

(1) The period during which a taxpayer has a right to appeal the imposition of that tax or interest or those penalties;

(2) The period during which an appeal related to the imposition of that tax or interest or those penalties is pending.

(Ord. 32-23. Passed 11-27-23.)

183.20 ADOPTION OF RULES.

(A) Pursuant to Section 718.30 of the Revised Code, the Municipality, pursuant to this Chapter, grants authority to the Tax Administrator to adopt rules to administer the income tax imposed by the Municipality.

(B) All rules adopted under this section shall be published and posted on the internet. (Ord. 32-23. Passed 11-27-23.)

183.21 REGISTRATION OF TENANTS, CONTRACTORS AND EMPLOYEES.

(a) Effective October 1, 2009 and every year thereafter on or before October 1st, all owners of rental property who rent to tenants of houses, commercial property, industrial property, apartments, rooms boarding houses and other rental accommodations shall file with the Tax Administrator a report showing the full first and last name, address, last four digits of social security number and telephone number, if available, of each such tenant who presently occupies an apartment room, house or commercial property or other rental accommodation within the City, unless the tenant(s) is responsible for their own City water utility payment. Said report must also provide the date a tenant vacates an apartment, room, house, commercial property or other rental accommodation located within the City and a forwarding address, if available.

(1) Each owner or the duly designated agent thereof, shall incur a penalty of five dollars ($5.00) per month per tenant, up to a maximum of one thousand dollars ($1,000.00), for failure to comply with Section (a) above.

(b) All employers, contractors or subcontractors who do work in the City shall register with the Tax Administrator. The Tax Administrator may request a list of all employees, subcontractors, contractors or others who may do work for them within the Municipality whose profits, wages or earnings are not presently subject to withholding of the City of Lancaster Income Tax (including but not limited to 1099-MISC).
(Ord. 32-23. Passed 11-27-23.)

183.22 MUNICIPAL CONTRACTS.

Effective January 1, 2001 no contract on behalf of the City of Lancaster for works or improvements of the City of Lancaster shall be binding or valid unless such contract contains the following provisions: Said hereby further agrees to withhold Lancaster income tax due or payable under the provisions of the Lancaster Income Tax Ordinance for wages, salaries, commissions and other compensation paid to its employees and further agrees that any of its subcontractors shall be required to withhold and pay such Lancaster income taxes due under the Ordinance for services performed under this contract.
(Ord. 32-23. Passed 11-27-23.)

183.23 TAXPAYERS' RIGHTS AND RESPONSIBILITIES.

183.32 DECLARATION OF ESTIMATED TAXES.

(A) As used in this section:

(1) "Combined tax liability" means the total amount of a taxpayer's income tax liabilities to all municipal corporations in this state for a taxable year.

(2) "Estimated taxes" means the amount that the taxpayer reasonably estimates to be the taxpayer's combined tax liability for the current taxable year.

(B) (1) Except as provided in division (B)(4) of this section, every taxpayer shall make a declaration of estimated taxes for the current taxable year, on the form prescribed by the tax commissioner, if the amount payable as estimated taxes is at least two hundred dollars.

(2) Except as provided in division (B)(4) of this section, a taxpayer having a taxable year of less than twelve months shall make a declaration under rules prescribed by the commissioner.

(3) The declaration of estimated taxes shall be filed on or before the fifteenth day of the fourth month after the beginning of the taxable year or on or before the fifteenth day of the fourth month after the taxpayer becomes subject to tax for the first time.

(4) The tax commissioner may waive the requirement for filing a declaration of estimated taxes for any class of taxpayers after finding that the waiver is reasonable and proper in view of administrative costs and other factors.

(C) Each taxpayer shall file the declaration of estimated taxes with, and remit estimated taxes to, the tax commissioner at the times and in the amounts prescribed in division (C)(1) of this section. Remitted taxes shall be made payable to the treasurer of state.

(1) The required portion of the combined tax liability for the taxable year that shall be paid through estimated taxes shall be as follows:

(a) On or before the fifteenth day of the fourth month after the beginning of the taxable year, twenty-two and one-half per cent of the combined tax liability for the taxable year;

(b) On or before the fifteenth day of the sixth month after the beginning of the taxable year, forty-five per cent of the combined tax liability for the taxable year;

(d) On or before the fifteenth day of the twelfth month of the taxable year, ninety per cent of the combined tax liability for the taxable year.

(2) If the taxpayer determines that its declaration of estimated taxes will not accurately reflect the taxpayer's tax liability for the taxable year, the taxpayer shall increase or decrease, as appropriate, its subsequent payments in equal installments to result in a more accurate payment of estimated taxes.

(3) (a) Each taxpayer shall report on the declaration of estimated taxes the portion of the remittance that the taxpayer estimates that it owes to each municipal corporation for the taxable year.

(b) Upon receiving a payment of estimated taxes under this section, the commissioner shall immediately forward the payment to the treasurer of state. The treasurer shall credit the payment in the same manner as in division (B) of section 718.85 of the Revised Code.

(D) (1) In the case of any underpayment of estimated taxes, there shall be added to the taxes an amount determined at the rate per annum prescribed by section 5703.47 of the Revised Code upon the amount of underpayment for the period of underpayment, unless the underpayment is due to reasonable cause as described in division (E) of this section. The amount of the underpayment shall be determined as follows:

(a) For the first payment of estimated taxes each year, twenty-two and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;

(b) For the second payment of estimated taxes each year, forty-five per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;

(c) For the third payment of estimated taxes each year, sixty-seven and one-half per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment;

(d) For the fourth payment of estimated taxes each year, ninety per cent of the combined tax liability, less the amount of taxes paid by the date prescribed for that payment.

(2) The period of the underpayment shall run from the day the estimated payment was required to be made to the date on which the payment is made. For purposes of this section, a payment of estimated taxes on or before any payment date shall be considered a payment of any previous underpayment only to the extent the payment of estimated taxes exceeds the amount of the payment presently due.

(3) All amounts collected under this section shall be considered as taxes collected under sections 183.24 to 183.39 of the Codified Ordinances and shall be credited and distributed to municipal corporations in accordance with section 718.83 of the Revised Code.

(E) An underpayment of any portion of a combined tax liability shall be due to reasonable cause and the penalty imposed by this section shall not be added to the taxes for the taxable year if any of the following apply:

(1) The amount of estimated taxes that were paid equals at least ninety per cent of the combined tax liability for the current taxable year, determined by annualizing the income received during the year up to the end of the month immediately preceding the month in which the payment is due.

(2) The amount of estimated taxes that were paid equals at least one hundred per cent of the tax liability shown on the return of the taxpayer for the preceding taxable year, provided that the immediately preceding taxable year reflected a period of twelve months and the taxpayer filed a municipal income tax return for that year.

(Ord. 32-23. Passed 11-27-23.)

(5) If a taxpayer makes a fraudulent attempt to evade the reporting or payment of the tax required to be shown on any return required under sections 183.24 to 183.39 of the Codified Ordinances, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the tax required to be shown on the return.

(6) If any person makes a false or fraudulent claim for a refund under section 183.35 of the Codified Ordinances, a penalty may be imposed not exceeding the greater of one thousand dollars or one hundred per cent of the claim. Any penalty imposed under this division, any refund issued on the claim, and interest on any refund from the date of the refund, may be assessed under section 183.34 of the Codified Ordinances without regard to any time limitation for the assessment imposed by division (A) of that section.

(B) For purposes of this section, the tax required to be shown on a tax return shall be reduced by the amount of any part of the tax paid on or before the date, including any extensions of the date, prescribed for filing the return.

(C) Each penalty imposed under this section shall be in addition to any other penalty imposed under this section. All or part of any penalty imposed under this section may be abated by the tax commissioner. The commissioner may adopt rules governing the imposition and abatement of such penalties.

(D) All amounts collected under this section shall be considered as taxes collected under sections 183.24 to 183.39 of the Codified Ordinances and shall be credited and distributed to municipal corporations in the same proportion as the underlying tax liability is required to be distributed to such municipal corporations under section 718.83 of the Revised Code. (Ord. 32-23. Passed 11-27-23.)

183.34 ASSESSMENTS AGAINST TAXPAYER.

(A) If any taxpayer required to file a return under section 183.24 to 183.39 of the Codified Ordinances fails to file the return within the time prescribed, files an incorrect return, or fails to remit the full amount of the tax due for the period covered by the return, the tax commissioner may make an assessment against the taxpayer for any deficiency for the period for which the return or tax is due, based upon any information in the commissioner's possession.

The tax commissioner shall not make or issue an assessment against a taxpayer more than three years after the later of the date the return subject to assessment was required to be filed or the date the return was filed. Such time limit may be extended if both the taxpayer and the commissioner consent in writing to the extension. Any such extension shall extend the three-year time limit in section 183.35 of the Codified Ordinances for the same period of time. There shall be no bar or limit to an assessment against a taxpayer that fails to file a return subject to assessment as required by sections 183.24 to 183.39 of the Codified Ordinances, or that files a fraudulent return. The commissioner shall give the taxpayer assessed written notice of the assessment as provided in section 5703.37 of the Revised Code. With the notice, the commissioner shall provide instructions on how to petition for reassessment and request a hearing on the petition.

(B) Unless the taxpayer assessed files with the tax commissioner within sixty days after service of the notice of assessment, either personally or by certified mail, a written petition for reassessment signed by the authorized agent of the taxpayer assessed having knowledge of the facts, the assessment becomes final, and the amount of the assessment is due and payable from the taxpayer to the treasurer of state. The petition shall indicate the taxpayer's objections, but additional objections may be raised in writing if received by the commissioner prior to the date shown on the final determination. If the petition has been properly filed, the commissioner shall proceed under section 5703.60 of the Revised Code.

(C) After an assessment becomes final, if any portion of the assessment remains unpaid, including accrued interest, a certified copy of the tax commissioner's entry making the assessment final may be filed in the office of the clerk of the court of common pleas in the county in which the taxpayer has an office or place of business in this state, the county in which the taxpayer's statutory agent is located, or Franklin county.

Immediately upon the filing of the entry, the clerk shall enter a judgment against the taxpayer assessed in the amount shown on the entry. The judgment may be filed by the clerk in a loose-leaf book entitled "special judgments for municipal income taxes," and shall have the same effect as other judgments. Execution shall issue upon the judgment upon the request of the tax commissioner, and all laws applicable to sales on execution shall apply to sales made under the judgment.

If the assessment is not paid in its entirety within sixty days after the day the assessment was issued, the portion of the assessment consisting of tax due shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the day the commissioner issues the assessment until the assessment is paid or until it is certified to the attorney general for collection under section 131.02 of the Revised Code, whichever comes first. If the unpaid portion of the assessment is certified to the attorney general for collection, the entire unpaid portion of the assessment shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the date of certification until the date it is paid in its entirety. Interest shall be paid in the same manner as the tax and may be collected by issuing an assessment under this section.

(D) All money collected under this section shall be credited to the municipal income tax fund and distributed to the municipal corporation to which the money is owed based on the assessment issued under this section.

(E) If the tax commissioner believes that collection of the tax will be jeopardized unless proceedings to collect or secure collection of the tax are instituted without delay, the commissioner may issue a jeopardy assessment against the taxpayer liable for the tax. Immediately upon the issuance of the jeopardy assessment, the commissioner shall file an entry with the clerk of the court of common pleas in the manner prescribed by division (C) of this section. Notice of the jeopardy assessment shall be served on the taxpayer assessed or the taxpayer's legal representative in the manner provided in section 5703.37 of the Revised Code within five days of the filing of the entry with the clerk. The total amount assessed is immediately due and payable, unless the taxpayer assessed files a petition for reassessment in accordance with division (B) of this section and provides security in a form satisfactory to the commissioner and in an amount sufficient to satisfy the unpaid balance of the assessment. Full or partial payment of the assessment does not prejudice the commissioner's consideration of the petition for reassessment.

(F) Notwithstanding the fact that a petition for reassessment is pending, the taxpayer may pay all or a portion of the assessment that is the subject of the petition. The acceptance of a payment by the treasurer of state does not prejudice any claim for refund upon final determination of the petition.

If upon final determination of the petition an error in the assessment is corrected by the tax commissioner, upon petition so filed or pursuant to a decision of the board of tax appeals or any court to which the determination or decision has been appealed, so that the amount due from the taxpayer under the corrected assessment is less than the portion paid, there shall be issued to the taxpayer, its assigns, or legal representative a refund in the amount of the overpayment as provided by section 183.35 of the Codified Ordinances, with interest on that amount as provided by that section.
(Ord. 32-23. Passed 11-27-23.)

183.35 REFUND APPLICATIONS.

(A) An application to refund to a taxpayer the amount of taxes paid on any illegal, erroneous, or excessive payment of tax under sections 183.24 to 183.39 of the Codified Ordinances, including assessments, shall be filed with the tax commissioner within three years after the date of the illegal, erroneous, or excessive payment of the tax, or within any additional period allowed by division (A) of section 183.34 of the Codified Ordinances. The application shall be filed in the form prescribed by the tax commissioner.

(B) (1) On the filing of a refund application, the tax commissioner shall determine the amount of refund to which the applicant is entitled. The amount determined shall be based on the amount overpaid per return or assessment. If the amount is greater than ten dollars and not less than that claimed, the commissioner shall certify that amount to the director of budget and management and the treasurer of state for payment from the tax refund fund created in section 5703.052 of the Revised Code. If the amount is greater than ten dollars but less than that claimed, the commissioner shall proceed in accordance with section 5703.70 of the Revised Code.

(2) Upon issuance of a refund under this section, the commissioner shall notify each municipal corporation of the amount refunded to the taxpayer attributable to that municipal corporation, which shall be deducted from the municipal corporation's next distribution under section 718.83 of the Revised Code.

(C) Any portion of a refund determined under division (B) of this section that is not issued within ninety days after such determination shall bear interest at the rate per annum prescribed by section 5703.47 of the Revised Code from the ninety-first day after such determination until the day the refund is paid or credited. On an illegal or erroneous assessment, interest shall be paid at that rate from the date of payment on the illegal or erroneous assessment until the day the refund is paid or credited.
(Ord. 32-23. Passed 11-27-23.)

183.36 AMENDED RETURNS.

(A) If any of the facts, figures, computations, or attachments required in an annual return filed by a taxpayer that has made the election allowed under section 183.24 of the Codified Ordinances and used to determine the tax due under sections 183.24 to 183.39 of the Codified Ordinances must be altered as the result of an adjustment to the taxpayer's federal income tax return, whether initiated by the taxpayer or the internal revenue service, and such alteration affects the taxpayer's tax liability under those sections, the taxpayer shall file an amended return with the tax commissioner in such form as the commissioner requires. The amended return shall be filed not later than sixty days after the adjustment is agreed upon or finally determined for federal income tax purposes or after any federal income tax deficiency or refund, or the abatement or credit resulting therefrom, has been assessed or paid, whichever occurs first. If a taxpayer intends to file an amended consolidated municipal income tax return, or to amend its type of return from a separate return to a consolidated return, based on the taxpayer's consolidated federal income tax return, the taxpayer shall notify the commissioner before filing the amended return.

(B) In the case of an underpayment, the amended return shall be accompanied by payment of any combined additional tax due together with any penalty and interest thereon. An amended return required by this section is a return subject to assessment under section 183.34 of the Codified Ordinances for the purpose of assessing any additional tax due under this section, together with any applicable penalty and interest. The amended return shall not reopen those facts, figures, computations, or attachments from a previously filed return no longer subject to assessment that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal tax return.

(C) In the case of an overpayment, an application for refund may be filed under this division within the sixty-day period prescribed for filing the amended return, even if that period extends beyond the period prescribed in section 183.35 of the Codified Ordinances, if the application otherwise conforms to the requirements of that section. An application filed under this division shall claim refund of overpayments resulting from alterations to only those facts, figures, computations, or attachments required in the taxpayer's annual return that are affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return unless it is also filed within the time prescribed in section 183.35 of the Codified Ordinances. The application shall not reopen those facts, figures, computations, or attachments that are not affected, either directly or indirectly, by the adjustment to the taxpayer's federal income tax return. (Ord. 32-23. Passed 11-27-23.)

183.37 EXAMINATION OF RECORDS AND OTHER DOCUMENTS AND PERSONS.

(A) The tax commissioner, or any authorized agent or employee thereof, may examine the books, papers, records, and federal and state income tax returns of any taxpayer or other person that is subject to sections 183.24 to 183.39 of the Codified Ordinances for the purpose of verifying the accuracy of any return made or, if no return was filed, to ascertain the tax due as required under those sections. Upon written request by the commissioner or a duly authorized agent or employee thereof, every taxpayer or other person subject to this section is required to furnish the opportunity for the commissioner, authorized agent, or employee to investigate and examine such books, papers, records, and federal and state income tax returns at a reasonable time and place designated in the request.

(B) The records and other documents of any taxpayer or other person that is subject to sections 183.24 to 183.39 of the Codified Ordinances shall be open to the tax commissioner's inspection during business hours and shall be preserved for a period of six years following the end of the taxable year to which the records or documents relate, unless the commissioner, in writing, consents to their destruction within that period, or by order requires that they be kept longer. The commissioner may require any person, by notice served on that person, to keep such records as the commissioner determines necessary to show whether or not that person is liable, and the extent of such liability, for the income tax levied by a municipal corporation.

(C) The tax commissioner may examine under oath any person that the commissioner reasonably believes has knowledge concerning any income that was or would have been returned for taxation or any transaction tending to affect such income. The commissioner may, for this purpose, compel any such person to attend a hearing or examination and to produce any books, papers, records, and federal income tax returns in such person's possession or control. The person may be assisted or represented by an attorney, accountant, bookkeeper, or other tax practitioner at any such hearing or examination. This division does not authorize the practice of law by a person who is not an attorney.

(D) No person issued written notice by the tax commissioner compelling attendance at a hearing or examination or the production of books, papers, records, or federal income tax returns under this section shall fail to comply.
(Ord. 32-23. Passed 11-27-23.)

A municipal corporation shall submit the following information to the tax commissioner on or before the later of January 31, 2018, or the thirty-first day of January of the first year in which the taxpayer is eligible to receive the credit:

(2) Such documentation shall be provided in the form prescribed by the tax commissioner.

(3) Nothing in this section shall be construed to authorize the tax commissioner to enter into an agreement with a taxpayer to grant a credit, to determine if a taxpayer meets the conditions of a tax credit agreement entered into by the City of Lancaster, Ohio, and taxpayer under section 183.064 or 183.065 of the Codified Ordinances, or to modify the terms or conditions of any such existing agreement.

appropriate provisions of those divisions to a person who is convicted of or pleads guilty to the felony drug trafficking, manufacturing, processing, or possession offense that is the most serious offense that is the basis of the conspiracy shall apply to the person who is convicted of or pleads guilty to the conspiracy as if the person had been convicted or pleaded guilty to the felony drug trafficking, manufacturing, processing or possession offense that is the most serious offense that is the basis of the conspiracy.

B. The court that imposes sentence upon the person who is convicted of or pleads guilty to the conspiracy shall comply with the provisions identified as being applicable under subsection (l)(2) of this section, in addition to any other penalty or sanction that it imposes for the conspiracy under subsection (j) of this section and Ohio R.C. 501.99 PENALTIES FOR MISDEMEANORS.

(a) Financial Sanctions. In addition to imposing court costs pursuant to Ohio R.C. 2947.23, the court imposing a sentence upon an offender for a misdemeanor committed under the Codified Ordinances, including a minor misdemeanor, may sentence the offender to any financial sanction or combination of financial sanctions authorized under this section and, if the offender is being sentenced for a criminal offense as defined in Ohio R.C. 2930.01, shall sentence the offender to make restitution pursuant to this section and Ohio R.C. 2929.281. If the court, in its discretion or as required by this section, imposes one or more financial sanctions, the financial sanctions that may be imposed pursuant to this section include, but are not limited to, the following:

(1) Restitution.

A. Unless the misdemeanor offense could be disposed of by the traffic violations bureau serving the court under Traffic Rule 13, restitution by the offender to the victim of the offender's crime or the victim's estate, in an amount based on the victim's economic loss. The court may not impose restitution as a sanction pursuant to this section if the offense could be disposed of by the traffic violations bureau serving the court under Traffic Rule 13. If the court requires restitution, the court shall order that the restitution be made to the victim in open court or to the adult probation department that serves the jurisdiction or the clerk of the court on behalf of the victim.

B. The court shall determine the amount of restitution to be paid by the offender. The victim, victim's representative, victim's attorney, if applicable, the prosecutor or the prosecutor's designee, and the offender may provide information relevant to the determination of the amount of restitution. The amount the court orders as restitution shall not exceed the amount of the economic loss suffered by the victim as a direct and proximate result of the commission of the offense. If the court imposes restitution for the cost of accounting or auditing done to determine the extent of economic loss, the court may order restitution for any amount of the victim's costs of accounting or auditing provided that the amount of restitution is reasonable and does not exceed the value of property or services stolen or damaged as a result of the offense. If the court decides to or is required to impose restitution, the court shall hold an evidentiary hearing on restitution if the offender, victim, victim's representative, victim's attorney, if applicable, or victim's estate disputes the amount of restitution. The court shall determine the amount of full restitution by a preponderance of the evidence.

C. All restitution payments shall be credited against any recovery of economic loss in a civil action brought by the victim or the victim's estate against the offender. No person may introduce evidence of an award of restitution under this section in a civil action for purposes of imposing liability against an insurer under Ohio R.C. 3937.18.

D. The court may order that the offender pay a surcharge, of not more than five percent (5%) of the amount of the restitution otherwise ordered, to the entity responsible for collecting and processing restitution payments.

E. The victim, victim's attorney, if applicable, or the attorney for the victim's estate may request that the prosecutor in the case file a motion, or the offender may file a motion, for modification of the payment terms of any restitution ordered. If the court grants the motion, it may modify the payment terms as it determines appropriate but shall not reduce the amount of restitution ordered, except as provided in Ohio R.C. 2929.281(A).

(2) Fines. A fine in the following amount:

A. For a misdemeanor of the first degree, not more than one thousand dollars ($1,000);

2. All or part of the costs of confinement in a jail or other residential facility, including, but not limited to, a per diem fee for room and board, the costs of medical and dental treatment, and the costs of repairing property damaged by the offender while confined.

B. The amount of reimbursement ordered under subsection (a)(3)A. of this section shall not exceed the total amount of reimbursement the offender is able to pay and shall not exceed the actual cost of the sanctions. The court may collect any amount of reimbursement the offender is required to pay under that subsection. If the court does not order reimbursement under that subsection, confinement costs may be assessed pursuant to a repayment policy adopted under Ohio R.C. 2929.37. In addition, the offender may be required to pay the fees specified in Ohio R.C. 2929.38 in accordance with that section. (ORC 2929.28)

(b) Jail Terms.

(1) Except as provided in Ohio R.C. 2929.22 or 2929.23 of the Revised Code, and unless another term is required or authorized pursuant to law, if the sentencing court imposing a sentence upon an offender for a misdemeanor elects or is required to impose a jail term on the offender pursuant to this General Offenses Code, the court shall impose a definite jail term that shall be one of the following:

A. For a misdemeanor of the first degree, not more than one hundred eighty days;

B. For a misdemeanor of the second degree, not more than ninety days;

C. For a misdemeanor of the third degree, not more than sixty days;

D. For a misdemeanor of the fourth degree, not more than thirty days.

(2) A. A court that sentences an offender to a jail term under this section may permit the offender to serve the sentenced in intermittent confinement or may authorize a limited release of the offender as provided in Ohio R.C. 2929.26(B). The court retains jurisdiction over every offender sentenced to jail to modify the jail sentence imposed at any time, but the court shall not reduce any mandatory jail term.

B. 1. If a prosecutor, as defined in Ohio R.C. 2935.01, has filed a notice with the court that the prosecutor wants to be notified about a particular case and if the court is considering modifying the jail sentence of the offender in that case, the court shall notify the prosecutor that the court is considering modifying the jail sentence of the offender in that case. The prosecutor may request a hearing regarding the court's consideration of modifying the jail sentence of the offender in that case, and, if the prosecutor requests a hearing, the court shall notify the eligible offender of the hearing.

2. If the prosecutor requests a hearing regarding the court's consideration of modifying the jail sentence of the offender in that case, the court shall hold the hearing before considering whether or not to release the offender from the offender's jail sentence.

(3) Whoever violates subsection (d) hereof is guilty of a misdemeanor of the first degree.

(4) A. A court may order a person who is convicted of or pleads guilty to a violation of this section to forfeit to an impounding agency, as defined in Ohio R.C. 959.132, any or all of the companion animals in that person's ownership or care. The court also may prohibit or place limitations on the person's ability to own or care for any companion animals for a specified or indefinite period of time.

B. A court may order a person who is convicted of or pleads guilty to a violation of this section to reimburse an impounding agency for the reasonably necessary costs incurred by the agency for the care of a companion animal that the agency impounded as a result of the investigation or prosecution of the violation, provided that the costs were not otherwise paid under Ohio R.C. 959.132.

(5) If a court has reason to believe that a person who is convicted of or pleads guilty to a violation of this section suffers from a mental or emotional disorder that contributed to the violation, the court may impose as a community control sanction or as a condition of probation a requirement that the offender undergo psychological evaluation or counseling. (4) Add-on devices, whether internal or external, the function of which is to extend the transmitting frequency capability of a CB transmitter beyond its original capability. See 47CFR95.655(c).

(h) If the subject matter of a complaint presented to a governmental agency involves CB radio transmissions interfering with electronic devices, such as speakers, garage door openers, home entertainment systems, data networks, electronic organs, televisions, radios, and telephones, not exclusively, the investigating agency may begin an investigation to determine if any CB radio operators are transmitting above the maximum allowable power output in the general vicinity of where the interference is being observed. However, violations of CB radio operators transmitting above the maximum allowable power output shall not be enforceable unless citizens (complainants) from two or more residences sign and attest that they are receiving interference from a CB station.

(1) Initial investigations of possible violations of CB radio operators transmitting above the maximum allowable power output should contain the following:

A. A record from each complainant containing dates, day of the week, and time of the day that the interference has occurred. This logbook should encompass a time of no less than four (4) weeks.

B. Locations and type of equipment that the complainant is receiving interference.

C. An address, location and description of the person and premises that the complainant feels is causing the interference from a CB radio station.

D. Physical evidence such as a large antenna and/or radio supporting tower or other antennas mounted to a house or other structure on the property.

E. If possible, actual recordings of the interference received.

F. Any other evidence that would assist in determining the person and location of the source of the interference.

(2) Probable cause to obtain a search warrant will be determined from a variety of factors and may include the following:

A. A drive-by inspection of the suspected violator's premises to determine the presence of CB radio type antennas, towers and any other relevant evidence.

B. Determinations made by the investigating agency of the power output of the CB station using field strength meters up to one-fourth mile of the CB station.

C. Monitoring of the C.B. radio frequency spectrum including radio frequencies above and below the radio frequencies allocated by the FCC for legal operations in and around the suspected area.

D. The log entries made by the investigative agency of the radio frequencies used during suspected illegal radio transmissions.

E. Records and observations made by the complainants.

F. Any other factors that would cause a reasonable person to believe that the alleged violator is using a CB radio or other equipment to violate the provisions of this Section.

G. Not all of the above factors need be met for a court of proper jurisdiction to find probable cause for the issuance of a search warrant; however, search warrant standards and procedures shall comply with O.R.C. Section 2933 and Crim.R. 41.

(3) All property seized pursuant to a search warrant shall be kept until the accused is tried or the claimant's right is otherwise ascertained. The disposition of property seized under this Section and held by a law enforcement agency shall comply with O.R.C. Sections 2981.01 et seq., if applicable, 2933.42 and 2933.43.

(i) The enforcement of this ordinance shall not preclude the Federal Communications Commission from enforcing its own regulation concurrently. See Section (f)(5) of the 2000 amendment to Section 302 of the Communications Act of 1934 (47 U.S.C. 302a).

(j) Nothing in this ordinance shall be construed to diminish or otherwise affect the jurisdiction of the Commission. See Section (f)(6) of the 2000 amendment to Section 302 of the Communications Act of 1934 (47 U.S.C. 302a).

(k) The enforcement of this ordinance with regard to citizens band radio equipment on board a 'commercial motor vehicle' as defined in Section 31101 of Title 49, United States Code, shall require probable cause to find that the commercial motor vehicle or the individual operating the vehicle is in violation of the ordinance herein. See Section (f)(7) of the 2000 amendment to Section 302 of the Communications Act of 1934 (47 U.S.C. 302a).

(l) In addition to any other remedy authorized by law, a person affected by the decision of a local government agency in enforcing this statute may submit to the Commission an appeal of the decision on the grounds that the State or local government enacted a statute or ordinance outside the authority granted under Section 302 of the Communications Act of 1934. See Section (f)(4)(A) of the 2000 amendment to Section 302 of the Communications Act of 1934 (47 U.S.C. 302a). Such appeal shall be submitted to the Commission no later than 30 days after the date on which the decision by the local government agency becomes final, but prior to seeking judicial review of such decision. See Section (f)(4)(B) of the 2000 amendment to Section 302 of the Communications Act of 1934 (47 U.S.C. 302a).

(m) The Commission shall make a determination on an appeal submitted under subparagraph (l) not later than 180 days after its submittal. See Section (f)(4)(C) of the 2000 amendment to Section 302 of the Communications Act of 1934 (47 U.S.C. 302a). However, any CB radio equipment seized pursuant to a validly issued warrant shall remain in the custody of the local law enforcement agency during the pendency of the appeal. CB radio equipment that was seized shall only be returned if the Commission determines that relevant provisions of this ordinance exceeded the authority granted under Section 302 of the Communications Act of 1934 or if a court of proper jurisdiction determines that no violation occurred within this Section.

(n) All owners of a CB station shall keep all relevant correspondence from the FCC, hereafter known as "station records," such as written permission received from the FCC, at the CB station. A violation of this subsection may only occur if sufficient factors enumerated under subsections (s) or (t) indicate that modified or altered equipment requiring FCC permission for use was actually used or operated. See 47CFR95.427(b) and 47CFR95.426(a).

(o) Violations of subsections (c), (d), (e), (f), (g) or (n) shall be construed as strict liability offenses.

(p) Pursuant to O.R.C. Section 2901.01(13)(c), any CB radio equipment, inclusive of any antenna, that was used or operated, as determined under subsections (s) or (t), in violation of this Section shall be contraband.

(q) All persons using radio monitoring measurement instruments should be a holder of a "General Radiotelephone Operator" License issued by the FCC or an equivalent license issued by a certified industry standard testing board.

(r) All test instruments used for determining relative field strength and radio frequency power output should be of a commercial grade type typically used in a commercial two-way radio facility and annually checked for calibration against specifications contained in the operation manual or a known calibrated referenced source. For purposes of investigation, the variable gain control may be adjusted based on calibration check readings to compensate for any variations in battery voltage.

(s) In determining if CB radio equipment is being unlawfully used or operated on a frequency between 24 MHz and 35 MHz, a court, law enforcement officer or investigating agency shall consider, in addition to other relevant factors, the following:

(1) Possession of the equipment;
(2) The proximity of the equipment to other CB radio equipment;
(3) Any statement by the owner, or by anyone in control, of the CB radio equipment, concerning its use;
(4) Whether the CB radio equipment is directly or indirectly connected to an antenna;
(5) The proximity in time or space of the CB radio equipment, or of the act relating to the CB radio equipment, to a violation of this Section;
(6) Direct or circumstantial evidence of the use or operation of unlawful or unauthorized CB radio equipment.

(t) A court of law shall presume a person has a linear or other RF power amplifier if:

CHAPTER 1137
Planned Unit Development (PUD) District

1137.01 General provisions and purpose.
1137.02 Conflict.
1137.03 Permitted uses.
1137.04 Planning and development principles.
1137.05 Procedure - PUD Map Amendment - preliminary development plan.
1137.06 Procedure - final development plan.
1137.07 Submittal requirements.
1137.08 Plan approval criteria.

1137.01 GENERAL PROVISIONS AND PURPOSE.

The intent of the PUD, Planned Unit Development District, is to create flexible design criteria that the traditional Zoning Districts may not include. These regulations are based upon the premise that the ultimate quality of the built environment is determined not by the compatibility of uses, but how uses are appropriately integrated together through character type and design standards. This District is intended for large scale developments and aims to:

(a) Provide an opportunity for a mix of land uses otherwise not permitted within the standard municipal Zoning District classifications.

(b) Allow the creation of development standards that respect the unique characteristics, natural quality, beauty of the immediate vicinity, and protect the community's natural resources by avoiding development on, and destruction of, sensitive environmental areas.

(c) Enable greater review of design characteristics to ensure the development project is appropriately integrated into its surroundings.

(d) Pursue the housing and economic development goals of the City.

(e) Encourage innovative architecture.

(f) Establish objective criteria for development plan review that ensure conformity to community and development standards and allow for consistent treatment throughout.

(g) Support the proper relationships between buildings, developments and structures and the land.

(h) Encourage a more efficient land-use pattern by reducing the amount of public infrastructure, creating usable open space, preserving existing natural features, and providing for a variety of building styles, types, and uses.
(Ord. 15-23. Passed 8-14-23.)

1137.02 CONFLICT.

Whenever there is a conflict or difference between the PUD development text approved in accordance with Chapter 1137 and other sections of the City of Lancaster's Codified Ordinances, the provisions of the approved development text shall prevail for the development of land within the PUD District. Subjects not addressed within the approved development text shall be governed by the respective provisions found elsewhere in the City of Lancaster's Codified Ordinances. Unless otherwise stated and varied in the approved PUD development text, the standards in the City of Lancaster Zoning Code that pertain to the specific uses or land development in the PUD shall be applicable. Such standards include, but are not limited to:

(a) Floodplain Damage Prevention Regulations set forth in Section 1331.
(b) Off-street parking and loading requirements set forth in Section 1143.11.
(c) Subdivision requirements set forth in Part Eleven - Title One.
(d) Requirements for stormwater management set forth in Chapter 919.
(e) Minimum Project Area and Ownership. No tract of land shall be rezoned to the PUD District unless it is a minimum of twenty (20) acres and is under joint or common ownership or control of the applicant at the time the application is made for a PUD District. A preliminary development plan approved under these regulations for a PUD shall be binding upon the owners, their successors, and assigns. The preliminary development plan shall also limit and control the issuance and validity of all Zoning Clearance Permits.
(Ord. 15-23. Passed 8-14-23.)

1137.03 PERMITTED USES.

Permitted use within a PUD may include any combination of uses when such use(s) can be appropriately integrated into an overall design that maintains the intent of these general development criteria, provided the proposed location of the uses will not adversely affect adjacent property, or the public health, safety, and general welfare.

(a) The list of specific uses to be included in the proposed PUD shall be clearly delineated in the preliminary development plan, the Zoning text, and its supporting documentation.
(b) Listed uses shall be defined by their customary name or identification, except where they are specifically defined or limited in this Zoning Ordinance.
(c) Any listed use shall be limited to areas delineated in the preliminary development plan. (Ord. 15-23. Passed 8-14-23.)

1137.04 PLANNING AND DEVELOPMENT PRINCIPLES.

The PUD Zoning text shall create development standards designed according to the following planning and development principles.

(a) Arrangement of Use Areas.
(1) Buildings and uses within the proposed development shall be located to reduce any adverse influences and to protect and enhance the character of areas adjacent to the development.

(2) Whenever a proposed development includes areas of a higher intensity than that permitted in adjacent areas, the location and arrangement of use areas shall include appropriate buffers, open spaces, setbacks, or other transitional areas to ensure compatibility with the lower intensity areas.

(3) Buildings, structures, and parking areas shall be designed and located within the PUD to conserve environmentally sensitive or unique natural, historical, or cultural features while minimizing environmental impacts.

(b) Arrangement of Buildings and Yards.

(1) The physical relationship of buildings and other site improvements to one another and the surrounding open space, as created by building size, mass, height, shape, and setback, shall result in a harmonious development within the PUD and adjacent to it.

(2) Minimum lot size, width, and front, side and rear yard setbacks should be clearly denoted by subarea.

(3) The bulk and height of buildings within the proposed development shall be compatible with the surrounding development and sufficiently buffered from the surrounding development to mitigate any potential adverse impact(s).

(c) Density. The density of residential areas within a PUD shall be specifically defined within the PUD text.

(d) Landscaping, Screening, and Buffering.

(1) The pattern of landscaping shall be coordinated in design and type of materials, mounding and fencing used. Landscaping may vary in density, spacing and other treatments to reflect variations of topography, existing landscape, or land uses.

(2) Privacy for residential buildings shall be maintained using landscaping, screening, and buffering.

(3) Appropriate buffer zones with adequate landscaping shall be provided between the proposed development and adjacent areas.

(4) Alternative design approaches to meet the intent of the landscape regulations may be incorporated.

(e) Open Space. Adequate open spaces shall be integrated throughout the development as follows:

(1) Open space shall be sufficiently aggregated to create large useable areas of planned open space.

(2) Open space shall conserve significant natural features within the PUD to the extent practicable.

(3) Open space shall provide a scenic natural environment along existing public streets characterized by large building setbacks that enable the preservation of natural features.

(4) All open space shall be easily accessible to residents of the PUD.

(5) Where possible, open space areas shall be connected with open space areas on abutting parcels, and wherever possible, by open space corridors.

(6) Open space must comply with Section 1109.12 (Public Sites and Open Space) of the Subdivision Regulations.

(f) Protection of Natural Features.

(1) Trees shall be preserved, protected, and replaced in compliance with the requirements set forth Section 1141.06.

(2) A riparian buffer shall be provided along the entire length and on both sides of a river or perennial stream channel. Walkways may be located within riparian buffers when the Planning Commission determines that such will create minimal change to the riparian buffer.

(3) Floodplains shall be protected in compliance with Chapter 1331.

(4) Wetlands that are to be retained in their natural state within the PUD shall be protected. A buffer area not less than twenty (20) feet in width measured from the edge of the delineated wetland shall be provided along the entire perimeter of the designated wetland. The buffer area shall not be disturbed and shall be retained in its natural state. Minimum building and pavement setbacks to protect such wetlands and buffer areas shall be established and shall be measured from the edge of such wetlands.

(g) Pedestrian Circulation Systems. A pedestrian circulation system shall be included and designed to provide convenient and safe pedestrian access throughout the PUD, and to connect the neighboring developments and community facilities. The pedestrian circulation system may include sidewalks and other walkways not located along streets. Trails with public right of passage should also be incorporated in the pedestrian circulation system.

(h) Bike Paths and Other Trail Systems. Trail systems for bikes and other purposes shall be included and designed in accordance with the City's plan for bike paths. Such trail system shall have a minimum width of ten (10) feet and be properly buffered from any adjacent residential areas. Protected bike lanes, where appropriate as determined by the Planning Commission, may also be utilized to meet this requirement.

(i) Street Design and Vehicular Circulation.

(1) The proposed vehicular circulation system shall provide adequate connections to the existing street network.

(2) The area of the project devoted to streets and related pavement should be the minimum necessary to provide adequate and safe movement and access.

(3) Street alignments should be designed to conserve natural features and minimize the need for cut and fill practices.

(4) The function of adjacent thoroughfares shall be maintained by limiting access points to the minimum needed, relating them to existing access points, the street patterns on surrounding development, and the intensity of proposed uses.

(5) Private streets that utilize a common easement may provide access to clustered lots and/or structures.

(6) Street lighting and street signs shall be adequate for safety and security.

(7) The applicant shall provide and construct on-site and off-site street improvements for the PUD in accordance with the requirements of Part Eleven - Title One and consistent with recommendations included in traffic studies and with any agreements submitted as supporting documentation for the PUD.

(8) The design and locations of streets and parking areas shall comply with the requirements set forth in Chapter 913, Stormwater Management.

(j) Off-street Parking. The layout of parking areas, service areas, and related entrances, exits, signs, lighting, noise sources or other potentially adverse influences shall be designed and located to protect the character of the area and as well as those areas adjacent to the development. Review of applications for Planned Development Districts shall be conducted in compliance with the following general provisions:

(a) Review for Completeness. The City Planner or designee shall review each planned development application for completeness and compliance with the applicable submission requirements, unless the City Planner or designee, determines that specific items are inapplicable or unnecessary. If the City Planner or designees deems an application as insufficient, the City Planner or designee shall notify the applicant of the deficiencies. Only complete applications shall be placed on the Planning Commission agenda. When the application is determined complete and all applicable fees are paid, the City Planner or designee shall officially accept the application for consideration. This shall include either a preliminary development plan as set forth in Section 1137.07(b) or a final development plan as set forth in Section 1137.07(c).

(b) Previously Approved Planned Development Districts. Planned Development Districts, including development plans and development standards text adopted prior to the effective date of these Planned Development District regulations, shall continue in effect, and be considered legally conforming under this code. However, the procedures for the implementation of those developments must conform to the regulations indicated in this code.

(c) Subdivision Plat Approval. If the proposed development includes the subdivision of land, the development shall be subject to the requirements of the plat approval process in accordance with the subdivision regulations in Part Eleven - Title One including any subsequent changes to subdivision plats. The preliminary development plan and preliminary subdivision plat approval may proceed simultaneously. The final development plan and final plat shall proceed simultaneously unless a final plat has already been approved or is not required for completion of the project.

(d) Zoning Amendment Pre-application Meeting with Concept Plan. The applicant shall meet with the appropriate staff of the Planning Department for review of a concept plan prior to submitting an application for a Planned Development District Zoning amendment. (2) The City Planner or designee may forward complex projects to the Planning Commission for their review and feedback.

(3) The applicant may request review and feedback from the Planning Commission prior to preparing a preliminary development plan.

(4) No discussions, opinions, or suggestions provided on any aspect of the concept plan shall bind the applicant, or the city, or be relied upon by the applicant to indicate subsequent approval or disapproval by the city.

(e) Zoning Amendment Request. An application for a Zoning amendment to the Planned Development District shall be submitted in accordance with Section 1159.02. In addition to the submission requirements for Zoning amendments, the applicant shall also submit a preliminary development plan, development text, and supporting documentation as required below.

(f) Preliminary Development Plan Review Procedures. The application, including all submission requirements for preliminary development plans in accordance with Section 1137.07(c), shall be reviewed and distributed according to the following procedures. A preliminary subdivision plat may be reviewed simultaneously provided all the required plat information is submitted.

(g) City Planner or Designee Review and Transmittal to the Planning Commission. After determining that an application is complete according to Section 1137.05(a), the City Planner or designee shall forward the application to the appropriate city departments and, if determined necessary, professional consultants for review and comment. The City Planner or designee shall schedule a public hearing of the preliminary plan by the Planning Commission.

(h) Review and Recommendation by Planning Commission. The Planning Commission shall review the application to determine if it complies with the approval criteria set forth in Section 1137.08(a). The Planning Commission shall take into consideration any submitted staff reports, comments, and expert opinions when reviewing the application.

(l) Approval of the Planned Development District/Preliminary Development Plan. Adoption of the ordinance shall constitute a rezoning of the property included in the preliminary development plan to a Planned Unit Development District, and the preliminary development plan and associated commitments become binding on the applicant. The Official Zoning Map shall be amended to reflect the Zoning changes. In the event City Council approves the preliminary development plan with modifications, the applicant shall incorporate such modifications into the appropriate documents and file the revised preliminary development plan with the City Planner or designee. No final development plan application will be processed until the revised preliminary development plan is submitted and approved.

In the event progress on the PUD is discontinued, the City may begin procedures to rezone the property to the Zoning District in place prior to the Planned Unit Development District or to another District as may be determined appropriate. For the purpose of this section, progress shall be considered discontinued when:

(1) The final development plan for the PUD, or for the first phase of the PUD, is not submitted within three (3) years after approval by City Council of the preliminary development plan.

(2) A final development plan for the PUD is approved, and construction work is discontinued for a period of two (2) years or for a longer period as may be agreed to as part of the PUD Zoning amendment.

(3) At any time, the Planning Commission may grant an extension to the above stated timeframes for good cause shown.

The applicant may revise the final development to respond to the Planning Commission's concerns and resubmit the plan. Such action shall be considered a new application for review containing all the information required for final development plans, including the payment of the application fee.

(4) The Planning Commission may, in reviewing the final development plan, approve a revision of a provision of the development standards text if they determine that all of the following provisions are satisfied:

1139.01 RATIONALE AND FINDINGS.

(a) Purpose. It is the purpose of this ordinance to regulate sexually oriented businesses in order to promote the health, safety, moral, and general welfare of the citizens of the City, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the City. The provisions of this ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of this ordinance to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of this ordinance to condone or legitimize the distribution of obscene material.

(b) Findings and Rationale. Based on evidence of the adverse secondary effects of adult uses presented in hearings and in reports made available to the City Council, and on findings, interpretations, and narrowing constructions incorporated in the cases of City of Littleton v. Z.J. Gifts D-4, L.L.C., 124 S.Ct. 2219 (June 7, 2004); City of Los Angeles v. Alameda Books, Inc., 535 U.S. 425 (2002); Pap's A.M. v. City of Erie, 529 U.S. 277 (2000); City of Renton v. Village of Somerset, 316 F.3d 702 (7th Cir. 2003); and based upon reports concerning secondary effects occurring in and around sexually oriented businesses, including, but not limited to, Austin, Texas - 1986; Indianapolis, Indiana - 1984; Garden Grove, California - 1991; Houston, Texas - 1983, 1997; Phoenix, Arizona - 1979, 1995-98; Chattanooga, Tennessee - 1999-2003; Minneapolis, Minnesota - 1980; Los Angeles, California - 1977; Whittier, California - 1978; Spokane, Washington - 2001; St. Cloud, Minnesota - 1994; Littleton, Colorado - 2004; Oklahoma City, Oklahoma - 1986; Dallas, Texas - 1997; Greensboro, North Carolina - 2003; Amarillo, Texas - 1977; New York, New York Times Square - 1994; and the Report of the Attorney General's Working Group On The Regulation Of Sexually Oriented Businesses, (June 6, 1989, State of Minnesota), the City Council finds:

(1) Sexually oriented businesses, as a category of commercial uses, are associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation.

(2) Sexually oriented businesses should be separated from sensitive land uses to minimize the impact of their secondary effects upon such uses, and should be separated from other sexually oriented businesses, to minimize the secondary effects associated with such uses and to prevent an unnecessary concentration of sexually oriented businesses in one area.

(3) Each of the foregoing negative secondary effects constitutes a harm which the City has a substantial government interest in preventing and/or abating. This substantial government interest in preventing secondary effects, which is the City's rationale for this ordinance, exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses. Additionally, the City's interest in regulating sexually oriented businesses extends to preventing future secondary effects of either current or future sexually oriented businesses that may locate in the City. The City finds that the cases and documentation relied on in this chapter are reasonably believed to be relevant to said secondary effects.

(Ord. 15-23. Passed 8-14-23.)

1141.12 LANDSCAPING FOR REDEVELOPED SITES.

The redevelopment of existing sites is key to furthering the City's goals of maintaining a healthy economy. Existing parking lots that do not comply with current screening and landscape standards present unique challenges. Imposing the same landscaping requirements to redeveloped sites as for new sites could become cost prohibitive and discourages the reinvestment into the community. The purpose of this section is to apply minimal landscaping requirements to enhance these existing properties. This section also promotes an urban tree canopy, assists with reducing the amount of impervious surfaces and fosters strong neighborhoods with successful commercial Districts.

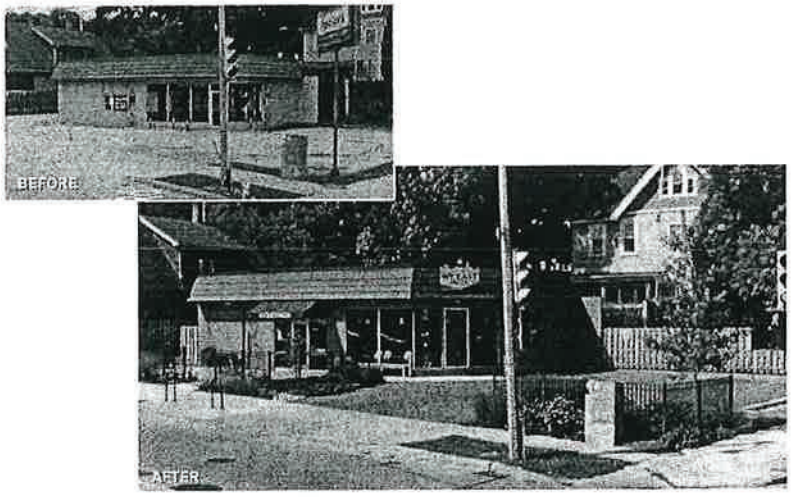

This section applies only to sites where the property is being redeveloped. Redeveloped for purposes of this section means the expansion of more than twenty-five percent (25%) of a building or parking lot or the alteration of more than twenty-five percent (25%) of the interior or exterior of the building. Furthermore, existing buildings, structures or parking lots that are maintained in their existing lawfully existing condition upon the adoption of this Ordinance can continue as non-conforming use in accordance with Section 1153.05.

In lieu of the landscaping requirements in Sections 1141.05-1141.10, the following regulations shall apply when a property is being redeveloped:

(a) When a site is redeveloped, it shall provide a minimum of one hundred (100) square feet of landscaping for every three thousand five hundred (3,500) square feet of parking lot area. These landscaped areas shall be clustered and placed strategically within the parking lot to provide visual curb appeal as approved by the City Planner or designee. Any decision of the City Planner or designee on visual curb appeal may be submitted to the Board of Zoning Appeals in accordance with Section 1157.07.

(b) The requirements of Section 1141.11 shall apply to the redevelopment of property.

(c) The requirements of Section 1141.03 and 1141.04 shall apply to any landscaping required or otherwise provided on redeveloped sites.

(Ord. 15-23. Passed 8-14-23.)

1141.13 LANDSCAPE - STREETSCAPE REQUIREMENTS FOR THE CBD.

Historically, commercial buildings in the Central Business District are built to the setback, meaning that the buildings are constructed on or extremely close to the front lot line, leaving minimal area for significant landscaping or open space typically required for new development sites. In lieu of the landscaping requirements in Sections 1141.06-1141.10, The Landscaping - Streetscape Requirements for the CBD have been established to scale the landscaping to a traditional downtown setting and to create an attractive pedestrian streetscape. The following standards shall apply to all CBD sites, unless otherwise modified by the Historic Lancaster Commission when a site is located within the Historic Lancaster District.

(a) When a front setback is less than three (3) feet, no landscaping shall be required between the front building façade and the front lot line.

Example of clustered/offset shrubs

(b) When the front setback is between three (3) and ten (10) from the front property line, the front setback shall include one of the following:

(1) A minimum of two (2) shrubs for every twenty (20) lineal feet of building façade. These shrubs can be clustered/offset or planted in a continuous hedgerow; or

(2) An ornamental fence or a decorative wall not exceeding three (3) feet in height and extending for the entire length of the front building façade. Outdoor seating may be provided in this area. A break in the fence may be allowed in order to provide adequate pedestrian ingress/egress to the building.

(3) One planter box for every twenty (20) feet of front building façade. Each planter box shall have a minimum soil capacity of ten (10) gallons and shall be planted and maintained with all season plant material to ensure year-round curb appeal. All season plant material shall be defined as those plant materials listed on the Approved Decorative Planter List, as approved by the Lancaster Historic Commission. The Approved Decorative Planter List shall apply to all properties within the Central Business District including those outside of the Historic Lancaster District.

Example of continuous hedge row

(4) A combination of any of the three above options may also be approved by the City Planner.

Example ornamental fencing with optional outdoor seating

Example of planter box

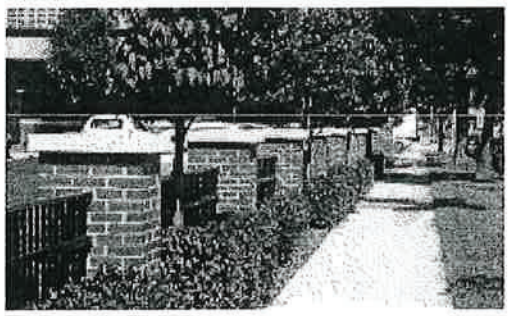

(c) Parking Lot Screening. Any surface parking area adjacent to a public right-of-way shall be screened from the respective right-of-way using one of the following methods:

(1) A thirty-six (36) inch tall, continuous planting hedge and tree combination; or

(2) A thirty-six (36) inch tall decorative wall with fence in conjunction with landscaping; or

(3) A thirty-six (36) inch tall, continuous decorative planter with lattice or other similar design. The decorative planter shall be planted and maintained with flowers that are listed on the Approved Decorative Planter List, as approved by the City Tree Commission.

(4) The height of the required screening shall be measured from the elevation of the adjacent parking area to the top of the screening material.

1143.09 PARKING IN THE (CBD) CENTRAL BUSINESS DISTRICT.

(a) The (CBD) Central Business District is characterized by higher development density, small lots, and minimal building setbacks. Historically, a significant portion of the parking needs of this area has been provided by on-street parking, an option that is typically not available for suburban-type locations. For this reason, special parking regulations are warranted.

(b) A specific number of off-street parking spaces is not required as long as the property is within one thousand (1,000) feet from sufficient on-street parking spaces or a public parking facility that has adequate capacity to serve the use(s) on the property, as determined by:

(1) The Historic Review Commission if located within the Historic Overlay; or

(2) The Board of Zoning Appeals, if outside of the Historic Overlay.

Otherwise, the site must follow the required parking spaces as specified in Section 1143.11.

(c) When Section 1143.09(b) cannot be met and off-street parking spaces are required in accordance with Section 1143.11, two (2) or more uses within the CBD District may meet the parking requirements by complying with the Shared Parking Requirements in Section 1143.10. Additionally, if bicycle parking is provided, the number of required spaces can be reduced at the ratio of one (1) automobile off-street parking space for every six (6) bicycle spaces provided.
(Ord. 15-23. Passed 8-14-23.)

1143.10 SHARED PARKING.

(a) In any District, when a mix of uses creates staggered peak periods of parking (see Parking Table - 2), the total parking requirements for the uses may be reduced provided a shared parking plan is submitted and approved as a Special Exception by the Board of Zoning Appeals.

(b) The shared parking plan must be based upon the number of originally required spaces for differed uses or facilities sharing the same parking area and documentation that the required parking needed for different uses is at different days and times generally based upon Table 2.

(c) Parking spaces included in the shared parking plan must be distributed in a manner that provides parking spaces within a reasonable distance from all proposed uses as determined by applicable reviewing entity.

(d) Shared parking must remain under common ownership providing access to all users of the shared parking. If common ownership is not proposed, the applicable approving authority may require documentation of shared access agreements to be provided.

The City Planner or designee may approve the use of a newer material under the following conditions:

- The manufacturing of said material did not exist at the time of adoption of this section; and

The City of Lancaster understands the importance of these startup businesses and the economic benefits they provide by creating additional foot traffic to better support surrounding businesses. These regulations have been crafted to ensure that Food Trucks are properly integrated into the overall existing or future streetscape designs of the surrounding area. It is further the purpose of these regulations to limit the time frame for food trucks to allow ample time for business incubation but also discourage them from becoming permanent fixtures.

(15) The food truck shall pass a fire safety inspection.

(16) Due to the temporary nature of food trucks, the General Development Standards in this Code for parking (Chapter 1141), landscaping (Chapter 1143) and signs (Chapter 1145) do not apply to these uses.

(1) Place SES to avoid obscuring significant features or adversely affecting the perception of the overall character of the property.

(2) Minimize visual impacts by locating the SES so that there is no visibility of the SES from the front of the historic building or structure.

(3) When applicable, the SES should be installed on an addition or secondary structure.

(4) Use the least invasive method feasible to attach the SES to a historic roof such that it avoids damage to significant features and historic materials and can be removed and the original character easily restored.

(5) Additionally, the SES shall comply with all applicable criteria in Section 1327.10 of this code.

(c) Roof-Mounted and Integrated Solar Energy System Standards.

(8) For primary use SES, parking areas are exempt from the off-street parking regulations but must still meet the required setbacks in the underlying Zoning District and the landscaping requirements.

(9) An owner of a ground-mounted SES site shall follow site management practices that (1) provide diverse native perennial vegetation and foraging habitat beneficial to pollinators, and (2) reduce stormwater runoff and erosion at the solar generation site at a rate of one (1) square foot of plantings for each one (1) square foot of panels.

A. A landscape plan shall be submitted showing the proposed layout and types of plantings for the site. A list of native perennial vegetation may be found in Section 1147.13(g) of this code. Other low-growing meadow/prairie plants and native or flowering perennials may also be approved.

Wellhead Protection and Flood Damage Prevention

Editor's note: Wellhead Protection is an overlay of basic Zoning as shown on the Zoning map. It will be applied to only those areas designated as being within proximity of City of Lancaster well fields, where a spill of toxic or potentially dangerous substances could degrade the water supply of the City. Failure of delivery of such notice shall not invalidate the findings of the Board.

(f) Criteria for Approving a Use Variance. The Board of Zoning Appeals may grant a use variance only upon a finding by clear and convincing evidence of an "unnecessary hardship". The factors to be considered and weighed by the Board in determining whether and unnecessary hardship exists include, but are not limited to, the following:

(1) Whether the requested use variance stems from a condition which is unique to the property at issue and not ordinarily found in the same zone or District;

(4) Whether granting the variance will adversely affect the public health, safety or general welfare;

(g) Criteria for Approving an Area Variance. The Board of Zoning Appeals may grant an area variance upon a finding by clear and convincing evidence of "practical difficulty" in meeting Code requirements. The factors to be considered and weighed by the Board in determining whether a property owner has encountered practical difficulties include, but are not limited to, the following:

(1) Whether the property in question will yield a reasonable return or whether there can be any beneficial use of the property without the variance;
(2) Whether the variance is substantial;
(3) Whether the essential character of the neighborhood would be substantially altered or whether adjoining properties would suffer substantial detriment as a result of the variance;
(4) Whether the variance would adversely affect the delivery of governmental services, for example, water, sewer, garbage, etc.;
(5) Whether the property owner purchased the property with knowledge of the Zoning restriction;
(6) Whether the property owner's practical difficulty can be eliminated through some method other than a variance, and;
(7) Whether the spirit and intent behind the Zoning requirement can be observed and substantial justice can be done by granting a variance.

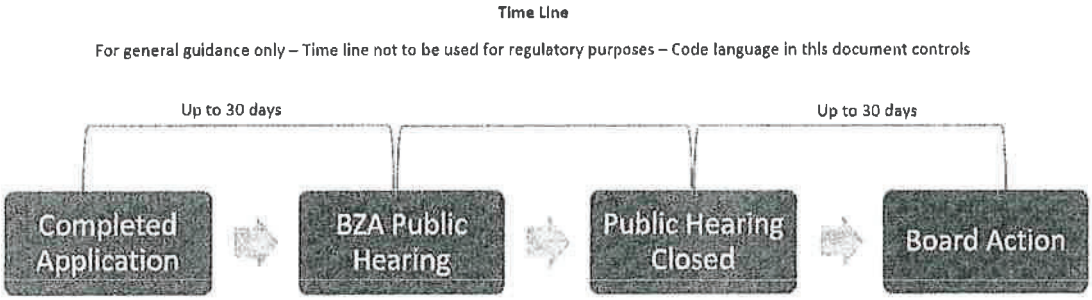

(h) Burden of Proof. The burden of proof is on the applicant to present reliable, probative, and substantial testimony and evidence that supports the request for a variance.

(i) Action by Board. Within thirty (30) days of the conclusion of the public hearing, the Board of Zoning Appeals shall either: approve, approve with supplementary conditions, or disapprove the request for a variance. The Board of Zoning Appeals must provide consideration of the requirements listed in Sections 1157.05(f) or 1157.05(g) as applicable when making its decision. Its decision shall be accompanied by written findings of fact specifying the reasons for the decision reached. If the application is approved or approved with supplementary conditions, the Board of Zoning Appeals shall make a finding that the reasons set forth in the application justifying the granting of the variance that will make possible a reasonable use of the land, building, or structure.

(j) Supplemental Conditions. The Board of Zoning Appeals may prescribe any conditions and safeguards that it deems necessary to ensure that the objectives of the regulations or provisions to which the variance applies will be met. Any violation of such conditions and safeguards, when they have been made a part of the terms under which the Variance has been granted, shall be deemed a punishable violation under this Zoning Code.

(k) Time Limitation on Variances. A variance that has been granted, but which has not been utilized within twenty-four (24) months from date of mailing the order granting the variance shall thereafter be void, provided that the Board has not extended the time for utilization. For the purpose of this provision, utilization shall mean actual use or the issuance of a building permit, when applicable, provided construction is diligently carried to completion.

(l) Reapplication. No application for a variance that is substantially similar to an application that has been disapproved or granted, wholly or in part, shall be submitted for one year after the decision of the Board of Zoning Appeals. The City Planner or designee shall consider factors such as the nature or size of a proposal, changes in the development of traffic pattern in the area, or newly discovered evidence pertinent to a decision on a previous application.

In order for a special exception to be granted, it must be determined by at least three (3) members that said special exception is in harmony with the spirit and intent of the Code and will not be injurious to the neighborhood or otherwise detrimental to the public welfare. Provided that the Board in granting the special exception shall have the authority to prescribe appropriate conditions and safeguards, may limit the grant of the special exception to a specified period of time, and may require such evidence and guarantee or bond as it may deem necessary to enforce compliance with the conditions attached.
