PERMANENT RESOLUTION NO. 93-24

A RESOLUTION TO AUTHORIZE THE SERVICE-SAFETY DIRECTOR TO ADVERTISE FOR BIDS AND ENTER INTO A CONTRACT TO CONSTRUCT THE EAST MAIN STREET SEWER SEPARATION AND ANN COURT DRAINAGE IMPROVEMENTS PHASE 1 PROJECT

WHEREAS, the East Main Street Sewer Separation Project is a mandated project per the Schedule of Compliance on the City's National Pollutant Discharge Elimination System ("NPDES") Permit with the Ohio Environmental Protection Agency ("OEPA"); and

WHEREAS, the Ann Court Drainage Improvements Phase 1 Project is the first of a multi-phase project to mitigate storm sewer backups on Ann Court; and

WHEREAS, both projects involve the construction of new storm sewers in Main Street and have been combined together into one larger project with the goal of attracting more interest from contractors and therefore more competitive pricing for both projects; and

WHEREAS, the East Main Street Sewer Separation Project is being financed through the OEPA's Water Pollution Control Loan Fund ("WPCLF") program, while the Ann Court Drainage Improvements Phase 1 Project is being financed with local stormwater funds; and

WHEREAS, the current tentative schedule is to publicly bid the project in the Fall of 2024 and complete construction by the Fall of 2025; now, therefore,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF LANCASTER, STATE OF OHIO:

SECTION 1. That the Service-Safety Director is hereby authorized to advertise for bids and to enter into a contract for the construction of the East Main Street Sewer Separation and Ann Court Drainage Improvements Phase 1 Project in an amount not to exceed Three Million Dollars (\$3,000,000.00).

SECTION 2. That this resolution shall take effect and be in force from and after the earliest period allowed by law.
