PETITION TO PROTEST PROPOSED "TIMBERTOP" REZONING

A proposal has been submitted to the Lancaster City Council ("Council") to annex and rezone, for development, the 76.877-acre property located at 2200 N. Columbus Street, Lancaster, Ohio 43130, known as "Timbertop" (the "Proposed Rezoning Area"). We the undersigned owners of property located in proximity to and potentially affected by the Proposed Rezoning Area do hereby protest the proposal to annex and rezone the Proposed Rezoning Area. We request that as conditions precedent to the Council's consideration of any annexation and rezoning of the Proposed Rezoning Area, (i) a complete development plan be submitted by Lemmon Development (including specification of the location and size of all structures, roadways, parking lots, and occupancy levels for each proposed use and identification of each individual developer); (ii) the Lancaster Engineering Department and the Council complete a detailed analysis and review of the 400+ page traffic study submitted to the Council on 01/13/2020; and (iii) the Lancaster Engineering Department and the Council project all costs that will need to be incurred by the City of Lancaster to support the proposed development (immediate and long-term).
