Building Department
121 East Chestnut Street, Suite 102
Lancaster, Ohio 43130-3825
(740) 687-6649

October 2022

Dear Customer,

The City's Certified Building Department recognizes the need to expedite the processing of residential permits for the convenience of the homeowner and contractor. The building department will strive to complete the review and issuance of permits for residential solar arrays within three business days of receiving them in our office provided all required information has been included for processing.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Geoffrey Davis', is written over a light blue horizontal line.

Geoffrey Davis

Certified Building Department Manager
