

Public Notice

2024 Mosquito Spraying

The City of Lancaster will begin spraying for mosquitos on Sunday, August 11th through Thursday, August 15th weather permitting.

Spraying will occur at approximately 10:00 p.m and end the following morning at 6 a.m.

Spraying will start on the West side of town and end on the East side of town.

Residents and pets should remain indoors with their windows closed.
