Statement of Funeral Home's Responsibility For Overtime Expenses

Effective March 1, 2024, performing funeral homes will be responsible for overtime expenses associated with services at any Lancaster City Cemetery that extend past our normal hours of operation. The current overtime parameters are as follows:

Weekday Overtime (after 3 p.m.)	\$250.00 per hr.
Saturday Overtime (9 a.m. to 3 p.m.)	\$550.00
Saturday Overtime (after 3 p.m.)	\$250.00 per hr.

To avoid overtime costs, all services at the cemetery should be concluded by 2:30 p.m. to allow staff adequate time to complete the closing of the grave. If overtime expenses are incurred, the performing funeral home will be sent an invoice for the additional fees. In the event that funeral services are scheduled by the family, the family will be responsible for overtime fees.

We ask that during arrangement conferences, funeral directors communicate to families our overtime regulations to avoid confusion in the event the services do extend past the business hours.
